About the IAE Southeastern Chapter

“Our Association has been involved with the IAE Southeastern Chapter for many years. We have sponsored various events and activities and have been pleased with the return on investment.”

Gwen Venable,
Vice President of
Communications for
USPOULTRY and IAE
Southeastern Chair

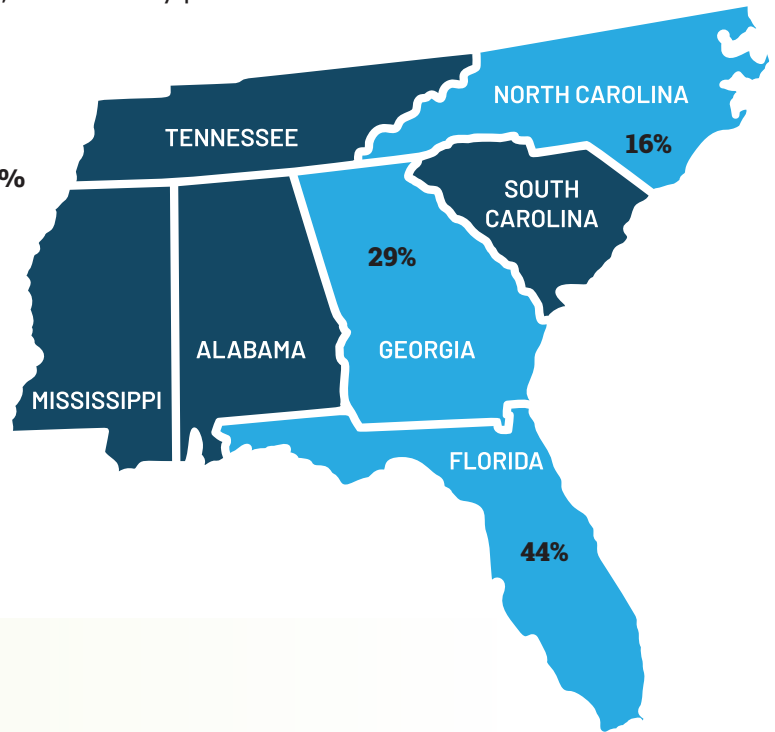

With 1,450+ active members, the Southeastern Chapter of the International Association of Exhibitions and Events (IAEE) serves Alabama, Georgia, Florida, Mississippi, North Carolina and South Carolina, with Georgia, Florida and North Carolina being the top three states with the most membership.

Our mission at the Southeastern Chapter is to deliver relevant and highly focused services and activities designed to broaden the knowledge base, professional development and bottom lines of our members.

Recognizing that face-to-face networking is the backbone of our industry, the chapter hosts meetings or other events almost every month of the year including chapter luncheons, local meet-ups and the Annual Summer Classic.

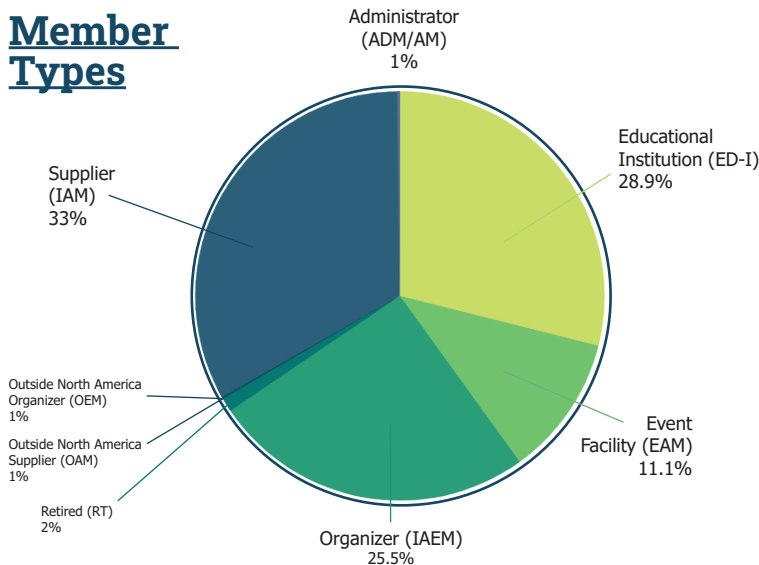

The IAE Southeastern Chapter is the second largest chapter within IAE, and we would not be able to provide valuable education, new solutions and networking opportunities without our sponsors. Being a sponsor of the Southeastern Chapter allows you to get in front of more than 1,450+ industry professionals!

Top three states:
Florida – 44%
Georgia – 29%
North Carolina – 16%
