

25.05.2023**IBC2023 E-ZONE– NOW LIVE**

Our IBC2023 E-Zone is now live! The Primary Coordinator from your company should have already received an email with login details from noreply@expo.ibc.org. Here you can plan your show including adding your company profile, managing co-exhibitors, registering your staff and making use of the IBC marketing toolkit. There are a range of tasks that will need completing in the E-Zone including confirming your appointed contractor for this year. If you have not received your login details to date, please first check your spam/junk folders and if this still isn't in your inbox, please email support@ibc.org and we can resend these to you.

To assist you with the E-Zone and wider logistics this year, we will support you through a range of channels: User

- guide pdf will be available to help you with the full functionality of the E-Zone
- A range of videos covering the E-Zone, top tips, suppliers and logistics as well as the rebooking process
- Webinar tutorials covering E-Zone, RAI Webshop, suppliers and logistics and including Q&A with members of the team
- New IBC Customer Support – online support via support@ibc.org, live chat via the website and E-Zone and a comprehensive Help Centre containing searchable event FAQs - [IBC \(zendesk.com\)](https://www.ibc.org/ibc-zendesk.com)

Please note that it is currently not possible to register co-exhibitors – this will go live from the beginning of June. The IBC marketing toolkit will also be available in mid-June.

IBC2023 REGISTRATION OPEN

Attendee registration is now open. Exhibitor registrations will be available in your E-Zone from **1st June**. Bulk badge collection will also be available to purchase within the E-Zone this year. **Please Note:** Every person will need to be registered with their own individual email address. You will not be able to use one single email address for multiple registrations. There will be no option to register onsite, all registrations need to be completed before arriving at the venue. Children under the age of 16 are NOT allowed into the show during build-up, breakdown or show open.

VISA INVITATION LETTERS

Visa invitation letters will also be available from the 1st of June as part of the Exhibitor registration process. Once a staff member is registered as stand staff, they will receive a confirmation email with a link to their attendee portal. In the attendee portal they can fill in their personal data such as passport number and date of birth in order to request downloadable Visa invitation letters. These letters are available to download immediately once the data has been input.

Alternatively Primary Exhibition Coordinators are able to input the necessary Visa invitation data (such as passport number and date of birth) if the exhibitor is comfortable sharing that private data with them.

ONLINE COMPANY PROFILE

Your company profile should be submitted via the E-Zone. This profile will be used for your online company profile and the IBC2023 App. Complete your profile by **1st June** to make the most of your pre-show marketing. **Please note:** If you are contacted by a company called Expo Guide, Event Guide, Interact Create UK or Fair Guide in regards to the IBC catalogue, please note they are not affiliated with IBC in any way and have NOT been commissioned by IBC. Further details on these scam/phishing emails are available here - [Scam/Phishing emails – Warning - IBC2023](#)

RAI EXHIBITOR SERVICES

You should have received a welcome email from the RAI Exhibitor Services team introducing you to the RAI Webshop where you can order a range of products and services for your stand at IBC2023. You can access the RAI Webshop through your E-Zone. Your dedicated RAI Exhibitor Services Account Manager will be happy to assist you with any ordering questions you may have. Depending on your stand type and items ordered, you will be sent a form to specify the company name for your fascia, carpet colour and any other customisation applicable to your stand type.

IBC2023 FINAL INVOICES

As per your contract, your final 25% invoice will be emailed to you on or after the 1st of June. This will be sent from updates@msg.ibc.org so please do keep an eye out for this email. We would like to remind all customers when making a payment, to add the company name and invoice number to ensure that the payment is allocated correctly. If you have any questions around outstanding payments please email finance@ibc.org and the team will be able to assist.

IBC AWARDS – NOW OPEN

The IBC Awards are now open. The Innovation Awards look for completed projects that overcome real challenges faced in the industry and The Social Impact Awards recognise initiatives and campaigns that are making a difference in equity and environmental responsibility. Check out the link [IBC2023 Awards - IBC2023](#) and we hope to see some of you entering. Deadline for entries is 2nd June 2023. If you have any questions please contact awards@ibc.org.

IBC DAILY – HALL WRITERS

Once again, IBC will be producing its ever-popular IBC Daily and Edaily in print, digital and newsletter formats. The IBC Daily and Edaily contain all the latest exhibitor and product news from around the show and offers advertisers the opportunity of a Q&A or Opinion Piece.

As in previous years, each hall will have a dedicated writer from our team of expert industry journalists assigned to cover technology stories, product launches and exhibitor news from your industry area:

Halls 4, 5 – Anne Morris - amorris@ibcdaily.org

CONTENT EVERYWHERE STAGE – SPEAKING OPPORTUNITES

Included in your Content Everywhere stand package is a speaking opportunity on one of the Content Everywhere stages. If we have not received your application for your company's speaking opportunity, don't miss out on the chance for your company to feature on the Content Everywhere stage at IBC! Apply before **Monday 5 June** to secure your place.

Panel Sessions:

Panel discussions involve up to three exhibitors and are curated by IBC to help visitors keep up-to-date with the hot topics driving 'content everywhere'.

Nominate a speaker who can share insights into market trends and requirements, enabling technologies, consumer behaviours or business models and tell us your views on the topics you think the IBC audience will want to hear about.

Product Demonstrations:

A limited number of 15-minute demonstration slots are also available. We are looking for engaging presentations that:

- showcase a cutting-edge technology, product or service solve
- real problems or add value for your customers.

Points to consider:

- Visitors to IBC see the Content Everywhere stages as a great opportunity to learn about industry trends and understand new jargon.
- IBC is committed to fully reflecting the diversity of the industry: consider whether your company can stand-out by putting forward a speaker from a demographic that is usually under-represented at conferences.
- For demos, do you have a customer who can help you present a case study about a solution to a real problem?
- Participation is subject to availability: please apply early. Exhibitors can apply for both a panel and demo but must state which is their priority application: it is unlikely that any exhibitor can be allocated more than one session.
- All sessions are video recorded to provide wider exposure online long after IBC2023.
- Contact cestage@ibc.org if you would like feedback on your ideas before submitting an application

APPLY NOW - To apply for a panel or demo complete the relevant form:

Panel: <https://show.ibc.org/ibc-content-everywhere-stage-panel-speaker-nomination-form>

Demo: <https://show.ibc.org/ibc-content-everywhere-stage-product-demonstration-request> **Deadline extended:** the closing date for nominations is **Monday 5 June 2023**

SHARE YOUR NEWS!

Between now and IBC2023, please share any news/press releases that relate to what you will be showing in Amsterdam. This information will help IBC365 prepare preview features and news articles to promote the programme and help ensure the Content Everywhere stage agenda remains topical. Send your news to cestage@ibc.org and we will share with the IBC365 editorial team.

We look forward to receiving your applications and content.

If you have any questions regarding your exhibition stand, exhibition logistics, or additional promotional opportunities across the event, please feel free to get in touch with support@ibc.org or your dedicated Account Manager - we are here to assist you the best we can. If you are looking to enhance your presence further at IBC2023 do get in touch with our dedicated Account Manager and we will be happy to assist.
