WELCOME TO LNG2026

Welcome to the 21st International Conference & Exhibition on Liquefied Natural Gas (LNG2026) – the world's oldest and most prestigious LNG conference – proudly hosted by QatarEnergy at the iconic Qatar National Convention Centre.

With the ever-growing demand for energy worldwide, natural gas plays an increasingly important role in diversifying the global energy mix and supporting sustainable human and economic development.

Under the theme of **Leading LNG: Powering Today and Tomorrow**, we are excited to see this year's conference bring together leading decision makers and innovators to explore the opportunities emerging across the LNG value chain – from enabling artificial intelligence and supporting the energy transition, to accelerating investment and fostering innovation.

At this year's conference and exhibition, you will enjoy a unique opportunity to discover the latest advances in LNG, share knowledge, and connect with industry experts.

Thank you for attending LNG2026. We wish you a productive conference and a memorable experience in Qatar – home of LNG.

QatarEnergy
Host of LNG2026

CONFERENCE OVERVIEW

Welcome to the 21st International Conference & Exhibition on Liquefied Natural Gas (LNG2026), themed **Leading LNG: Powering Today and Tomorrow**. We are delighted that you are joining us at this key global gathering where industry leaders and innovators connect to explore new developments, emerging technologies, and market opportunities in LNG.

The LNG2026 Conference Programme features dynamic Plenary Sessions, engaging Spotlight Sessions, and a comprehensive Technical Programme across dedicated halls on the exhibition floor. With numerous sessions and a diverse lineup of expert speakers, attendees can explore cutting-edge topics and innovations in the LNG sector, facilitated by industry leaders.

PLENARY SESSIONS

Hear from the world's leading LNG leaders as they share their insights and expertise on key developments across the industry, including:

- Global LNG Dynamics: An Industry Perspective
- Emerging LNG Players: Ministerial Perspectives on Gas, Growth, and Energy Security
- LNG: A Critical Enabler for a Lower-Carbon Future
- Achieving Success Together: Cultivating Strategic Partnerships in LNG
- Exploring Europe's Gas Future
- The Competitive Advantage of LNG: Creating Accessibility and Affordability for Emerging Markets
- LNG's Role in Meeting Growing Energy Demand and Supporting Economic Development
- The Future of LNG: Insights and Outlook from LNG2026

❖ SPOTLIGHT SESSIONS

Dive into the latest trends, challenges, and innovations at LNG2026. Topics include:

- Geopolitics and the Future of LNG
- Tackling Methane Emissions in the LNG Sector
- Seas of Change: LNG Shipping in an Evolving Energy Landscape
- The Growth of North America's Gas Market
- ESG Regulations: How do they Impact LNG Trade?
- Trading Places: How Buyers are Redefining the LNG Landscape
- Fuelling the Future: Navigating the Evolving Landscape of LNG Project Financing
- The Continued Evolution of LNG
- Powering AI: Meeting the Energy Demands of the AI Data Centre Boom
- Exploring Commercial Innovations in LNG Contracting
- LNG: The Catalyst for Hydrogen and Ammonia
- Digital Transformation in the LNG Industry

❖ TECHNICAL PROGRAMME

The LNG2026 Technical Programme features Paper Presentations, Panel Discussions on Commercial Topics, and the digital Discovery Hub, offering insights into the latest developments across the LNG sector.

PAPER PRESENTATIONS AND PANEL DISCUSSIONS

These sessions allow delegates to learn about cutting-edge projects from around the world, discover best practices, and participate in discussions on topics which attract diverse viewpoints.

DISCOVERY HUB

The Discovery Hub in Exhibition Hall 8 is home to specialist posters selected by the Programme Committee. These are available throughout LNG2026. Visitors have the opportunity to engage with poster presenters during the 'Discovery Hub Live'.

CONFERENCE PROGRAMME

Monday 2 February 2026

10:00 - 10:45	Opening Ceremony	Conference Hall
10:45 - 12:30	Break/Lunch	
12:30 - 12:45	Conference Launch	Conference Hall
12:45 - 14:00	PL01 - Global LNG Dynamics: An Industry Perspective	Conference Hall
14:15 - 15:15	SP01 - Geopolitics and the Future of LNG	Auditorium 1
	SP02 - Tackling Methane Emissions in the LNG Sector	Auditorium 2
17:00 - 19:00	Welcome Reception for Executive Delegates	Longines Outdoor Arena at Al Shaqab

Stay connected.
Download the Event App for the latest programme.

Tuesday 3 February 2026

8:30 - 9:30	PLO2 - Emerging LNG Players: Ministerial Perspectives on Gas, Growth, and Energy Security	Conference Hall
9:30 - 10:30	PLO3 - LNG: A Critical Enabler for a Lower-Carbon Future	Conference Hall
10:30 - 10:45	Break	
10:30 - 12:00	TP01 - Increasing End Use Applications of LNG	Technical Programme Hall A
	TP02 - LNG Demand and Demand Drivers	Technical Programme Hall B
	TP03 - Project Updates and Execution Strategies	Technical Programme Hall C
10:45 - 11:45	SP03 - Seas of Change: LNG Shipping in an Evolving Energy Landscape	Auditorium 2
	SP04 - The Growth of North America's Gas Market	Auditorium 1
12:00 - 13:00	Lunch	
13:00 - 14:00	PL04 - Achieving Success Together: Cultivating Strategic Partnerships in LNG	Conference Hall
14:00 - 14:15	Break	
14:00 - 15:30	TP04 - Shipping, Marine and Port Operations: Advances in Shipping and Port Operations	Technical Programme Hall A
	TP05 - Shaping the Market: LNG Buyers' Perspectives and Future Expectations	Technical Programme Hall B
	TP06 - Developments in Gas Processing, Liquefaction and Floating Plant Technology	Technical Programme Hall C
14:15 - 15:15	SP05 - ESG Regulations: How do they Impact LNG Trade?	Auditorium 1
	SP06 - Trading Places: How Buyers are Redefining the LNG Landscape	Auditorium 2
15:30 - 15:45	Break	
15:45 - 17:15	TP07 - Finance: Recent Developments and Future Evolution	Technical Programme Hall A
	TP08 - LNG Industry Evolution: Focus on LNG Supply	Technical Programme Hall B
	TP09 - Operations, Best Practices, Process Safety: Operational Efficiency, Optimisation and Emission Reduction	Technical Programme Hall C

Wednesday 4 February 2026

8:30 - 9:30	PLO5 - Exploring Europe's Gas Future	Conference Hall
9:30 - 10:30	PL06 - The Competitive Advantage of LNG: Creating Accessibility and Affordability for Emerging Markets	Conference Hall
10:30 - 10:45	Break	
10:30 - 12:00	TP10 - Improving Environmental Performance across the LNG Value Chain – New Technologies and Strategies	Technical Programme Hall A
	TP11 - Operations, Best Practices, Process Safety: Sustainability, Life Extension and Asset Integrity	Technical Programme Hall B
	TP12 - Innovative Liquefaction, Gas Processing and Storage Solutions	Technical Programme Hall C
10:45 - 11:45	SP07 - Fuelling the Future: Navigating the Evolving Landscape of LNG Project Financing	Auditorium 1
	SP08 - The Continued Evolution of LNG	Auditorium 2
12:00 - 13:00	Lunch	
13:00 - 14:00	PLO7 - LNG's Role in Meeting Growing Energy Demand and Supporting Economic Development	Conference Hall
14:00 - 14:15	Break	
14:00 - 15:30	TP13 - Shipping, Marine and Port Operations: Decarbonisation and Reduction in GHG Emissions in Marine Operations	Technical Programme Hall A
	TP14 - Improving Environmental Performance across the LNG Value Chain – Focus on Qatar	Technical Programme Hall B
	TP15 - Operations, Best Practices, Process Safety: Safety, Maintenance and Reliability	Technical Programme Hall C
14:15 - 15:15	SP09 - Powering AI: Meeting the Energy Demands of the AI Data Centre Boom	Auditorium 1
	SP10 - Exploring Commercial Innovations in LNG Contracting	Auditorium 2
15:15 - 15:30	Break	
15:30 - 17:00	Discovery Hub Live	Hall 8, Exhibition
17:00 - 19:00	Networking Reception for All Delegates	East Foyer, Level 1, QNCC

Stay connected.

Download the Event App for the latest programme.

Thursday 5 February 2026

9:30- 11:00	TP16 - Contracts and Commercial Trends in an Evolving Market	Technical Programme Hall A
	TP17 - Improving Environmental Performance across the LNG Value Chain – Measurement and Policy	Technical Programme Hall B
	TP18 - Operations and Equipment Technology	Technical Programme Hall C
9:45 - 10:45	SP11 - The Catalyst for Hydrogen and Ammonia	Auditorium 2
	SP12 - Digital Transformation in the LNG Industry	Auditorium 1
10:45 - 11:00	Break	
11:00 - 11:45	PL08 - The Future of LNG: Insights and Outlook from LNG2026	Conference Hall
11:45 - 12:15	Closing Ceremony	Conference Hall
12:15 - 14:00	Lunch	

Stay connected.
Download the Event App for the latest programme.

Make the most of the one-on-one time with presenters to learn more, ask questions and discuss the implications of the presented work.

No.	Poster Titles
1	Reliability Improvement for a LNG Safety Instrumented Loop with the Introduction of a Fault Detection Tool
2	Flaring Prevention by Modifying the Fuel Gas Pressure Control Scheme
3	25 Years of Collaboration and Innovation in LNG Shipping: From First-Generation to State-of-the-Art Technologies, including the World's Largest LNG Carriers
4	World's First Ever FLNG 1-Row with Membrane Technology
5	Enhancing Sustainability in LNG Operations through Long-Life Thermal Metal Spray: A Case Study from O LNG's Acid Gas Removal Unit Regenerator
6	Smart Methane Detection: Leveraging IoT, AI, and Drone Technology for Sustainable LNG Operations in Qatar
7	Feasibility Study of Receiving Ultra-Cold, Nitrogen-Rich LNG at Fos Cavaou Terminal
8	Innovative Nitrogen Rejection Solutions for LNG and Gas Infrastructure
9	Cybersecurity Risk Management Challenges: Maritime Linking the Gas Field to Gas Stove
10	Fresh Cooling Water System Best Practices in a Modern LNG Facility
11	Condition Assessment Programme (CAP) for LNG Carriers and Digitalisation to Improve Efficiency
12	Evolution of LNG Main Refrigerant Compression Technology and Configurations in the Last Decade
13	Unlocking Mid-Scale LNG Potential: Game-Changing Impact of Modular Applications for Single Mixed Refrigerant Technology
14	Optimisation of Advanced Treatment Technologies for Sustainable Water Management in LNG Production Facilities
15	Small Modular Reactors: A Promising Solution for Decarbonising the LNG Value Chain
16	Considerations and Challenges for the Application of an Alternative Survey Program (ASP)
17	Floating LNG's Flexibility Trumps Cost and Speed Myths

No.	Poster Titles
18	Methane Pyrolysis as a Pathway for LNG Supply Chain Decarbonisation – The Case of Maritime Transport
19	Performance Testing of Large Centrifugal Compressors in LNG Liquefaction Applications: Insights from the Latest ASME PTC10-Updates
20	Case Study for Ruwais e-LNG Boil-Off-Gas (BOG) Compression - Optimisation and Latest Experience For e-LNG Applications
21	Transforming Flaring into Opportunity: Energy Efficiency and Sustainability at OLNG
22	Beyond Volume – Oman LNG’s ESG Value Proposition in Meeting and Influencing Future LNG Buyer Expectations
23	Comprehensive Strategies for Flared Gas Recovery during Train Start-up at GL1Z
24	Past Versus State of the Art – Overcoming Limitations of Low Fin Tubes Using High Efficiency Process Boiling Technology in Mixed Refrigerant Pre-Cooling Trains
25	Driving Decarbonisation Through Intelligent Operations: The Role of Process Automation, AI, and Robotics at Oman LNG
26	Brazed Aluminium Heat Exchanger’s Reliability Improvement by Driers Sequence Change
27	India’s First Small Scale Liquefaction Biomethane Plant for Sustainable Crop Residue Management and Bio-LNG Production
28	Well-To-Wake (WTW) Lifecycle Emissions Modeling of LNG vs. Alternative Marine Fuels for Vessel Decarbonisation
29	A Comprehensive Impact Assessment of Nitrogen Content Increase in Feed Gas on the Whole LNG Supply Chain
30	Latest Developments in Nitrogen Rejection Units
31	A New Era in Process Simulation: Innovative Modeling with OpreX Data Model Broker
32	Revolutionising LNG Turnarounds: Lessons from a High Return on Investment LNG Case Study
33	Revolutionising LNG Storage: Going Greener and Enhancing Versatility

NETWORKING FUNCTIONS AND CEREMONIES

OPENING CEREMONY

Date: Monday, 2 February 2026

Time: 10:00

Venue: Conference Hall, Level 2, QNCC

Don't miss the spectacular LNG2026 Opening Ceremony with a captivating performance celebrating Qatar's culture and heritage, and its role in the global energy industry. Join industry leaders and delegates as we launch a week full of insights and collaboration.

WELCOME RECEPTION FOR EXECUTIVE DELEGATES

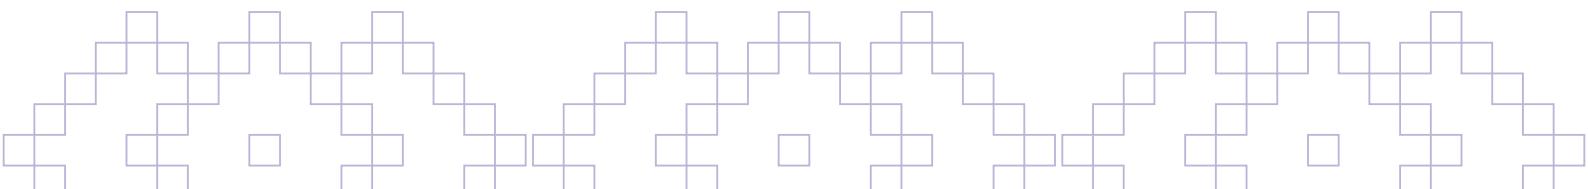

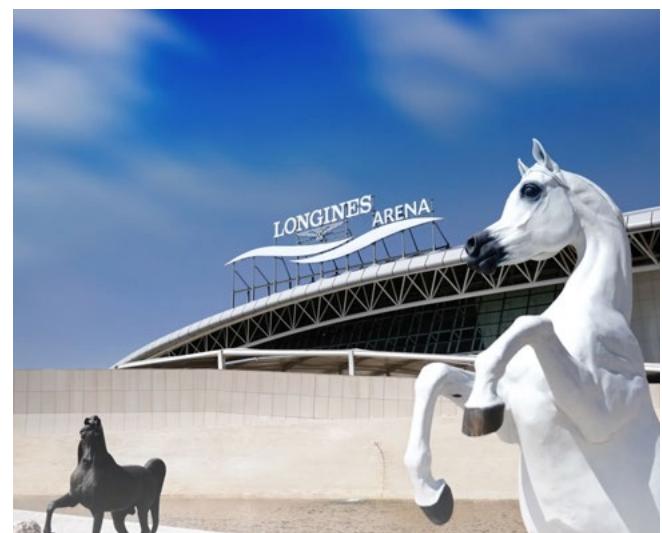

Date: Monday, 2 February 2026

Time: 17:00

Venue: Longines Outdoor Arena at Al Shaqab

Network with industry peers while experiencing Qatar's generous hospitality.

For information on shuttle buses from QNCC to Longines Outdoor Arena at Al Shaqab, please visit page 34.

NETWORKING RECEPTION FOR ALL DELEGATES

Date: Wednesday, 4 February 2026

Time: 17:00

Venue: East Foyer, Level 1, QNCC

Connect with fellow delegates and industry experts in a relaxed setting over refreshments and engaging discussions.

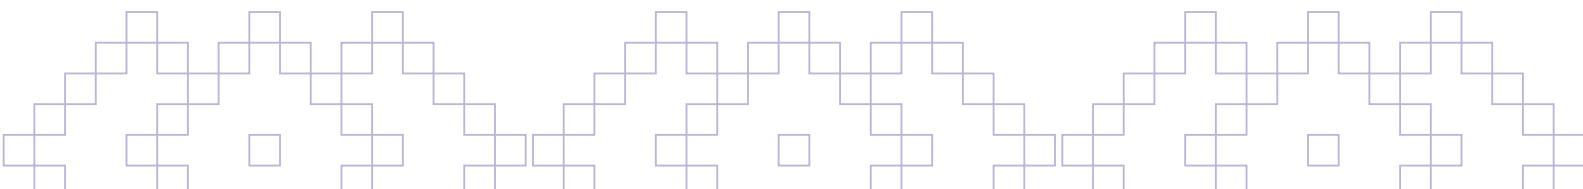

CLOSING CEREMONY

Date: Thursday, 5 February 2026

Time: 11:45

Venue: Conference Hall, Level 2, QNCC

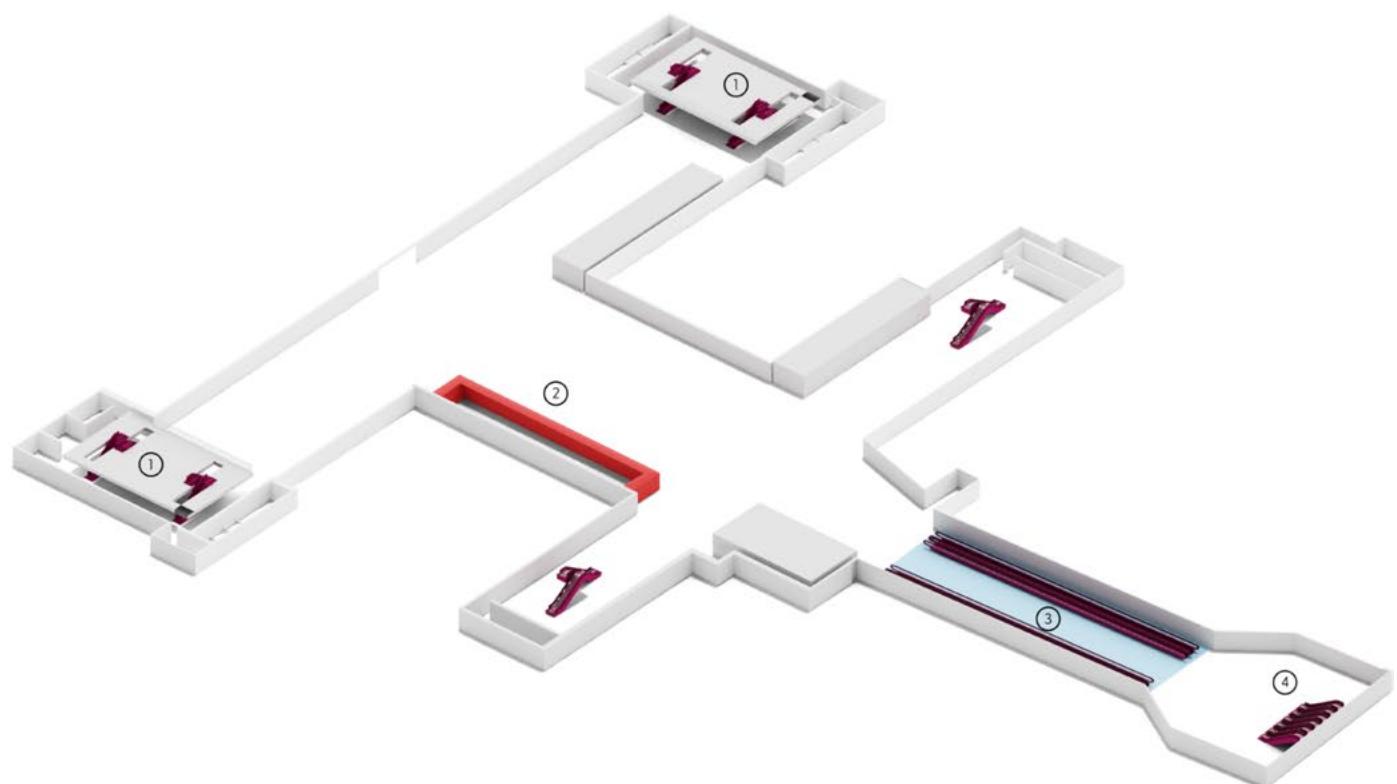

Celebrate the week's achievements, and enjoy a special handover to the LNG2029 host, Australia.

GENERAL INFORMATION

At LNG2026, we are committed to ensuring you have an enjoyable experience throughout this week. Please find below a few useful housekeeping guidelines:

☒ **Access to the Conference and Exhibition**

Attendees will be asked to present government-issued photo ID at security every time they enter LNG2026. This can be in the form of a valid passport or a Qatar ID (QID) for residents.

Attendees are required to wear their badge AT ALL TIMES during LNG2026, including networking functions. Attendees will only be able to access the areas of the event included in their registration.

☒ **Dress Code**

Business attire is requested for attendance at the Conference, Exhibition, and all networking functions.

☒ **Download the Event App**

The Event App is an essential tool to help you navigate the event and contains the programme for the week, speaker profiles, exhibition layout, networking features and much more. For any questions on the Event App, our staff at the Event App Support Desks would be delighted to assist you. The desks are located in the Spider Area (Level 1) and the Registration Area in the Exhibition (Ground Level). For any assistance, you can also email support@allintheloop.com

☒ **LNG2026 Official Show Daily**

Don't forget to check out your complimentary copy of the LNG2026 Show Daily each day during the event for exclusive coverage, industry insights, and interviews with key leaders.

Produced by Petroleum Economist part of Gulf Energy, the Official Media Partner of LNG2026, the Show Daily is available through the LNG2026 Event App.

☒ **Conference and Exhibition Refreshments**

Morning coffee, lunch and afternoon tea are provided to all Conference delegates. Kiosks are open in the Exhibition foyers for food and beverage purchases for exhibitors and trade visitors.

❖ Prayer Rooms

Prayer rooms, male and female, are available in the Conference area located on Level 1, by the QNCC Spider Café.

Additional prayer rooms are also available on the Exhibition Mezzanine Level, Hospitality Suite 4 for female attendees and Hospitality Suite 7 for male attendees.

❖ Accessibility

The QNCC is designed to ensure equal access for all attendees with limited mobility. If you require any assistance, please ask the organisers.

❖ Water Stations

Water fountains are available at your disposal throughout the venue.

❖ Photography

Professional photographers are taking photos throughout the event. These images may be used in post-event reports, marketing collateral, and supplied to industry media. If you do not want your photo to be taken, please advise the photographer.

❖ Media Centre and Press Conference Room

We have a dedicated Media Centre and Press Conference Room at the following locations:

Room 105: Press Conference Room

Room 106: Media Centre

For media and PR enquiries, please visit the Media Team at the Media Centre or contact the team at media@lng2026.com

❖ Delegate Gift Bag Collection

The Executive and Technical Delegate Gift Bag may be redeemed upon presentation of your registration badge at the Delegate Bag Collection Desk located on Ground Level, near Auditorium 2.

❖ Emergency Procedures

In case of emergency, please follow the instructions given to you by security and venue staff.

❖ Medical Support

The event is supported by onsite medical services, with professional healthcare teams and emergency response measures in place to ensure the well-being of all participants throughout the event. The Medical Centre is located on Level 1, by the QNCC Spider Café.

Alshaymaa M. Al-Motawa	Medical Services	+974 40134226	a_almotawa@qatarenergy.qa
Manal A. Alyafei	EMT & Ambulance	+974 40134178	m_alyafei@qatarenergy.qa

❖ Cloakrooms

Cloakrooms are located on:

- Ground Level - Conference Side
- Ground Level - Exhibition Side

❖ Official Airline Partner

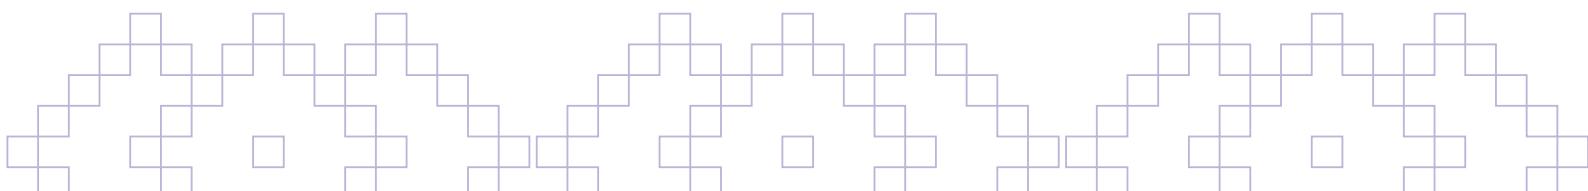

We are proud to have Qatar Airways as the Official Airline Partner of LNG2026, connecting attendees from around the world to Doha with award-winning service.

Experience the World's Best Business Class

Relax in unrivalled comfort, indulge in award-winning service, and discover why we're recognised as the World's Best Airline.

qatarairways.com

DISCOVER QATAR

Step beyond the Conference and Exhibition and make the most of your stay in Qatar. Experience a sightseeing tour of the vibrant city of Doha, a desert and inland sea adventure, or an evening dhow cruise.

For more information, please visit the LNG2026 website.

DISCOVER DOHA – CITY TOUR

Visit Doha's heritage and modern landmarks, including Souq Waqif, Museum of Islamic Art, Katara, The Pearl, and Dhow Harbour.

Timing : 08:30 - 12:30 (from Souq Waqif) Daily
09:00 - 13:00 (from Doha Sands) Daily

Duration : 4 hours

DISCOVER THE DESERT AND INLAND SEA

Explore Qatar's sand dunes and Khor Al Adaid on a 4-hour private 4x4 adventure, including a desert camp stop.

Timing : 09:00 - 13:00 | 14:00 - 18:00 Daily

Duration : 4 hours

DHOW SUNSET CRUISE

Relax on a traditional dhow and enjoy Doha's skyline at sunset, with stunning views and gentle sea breezes.

Timing : 16:00 - 18:00 Daily

Duration : 2 hours

EVENT APP

The LNG2026 Event App, sponsored by Shell, will be an essential tool to help you navigate the event. The Event App contains the programme for the week, speaker profiles, exhibition layout, exhibiting company profiles, details of networking functions and much more. Use the Event App to connect and schedule meetings with fellow attendees.

HOW TO DOWNLOAD

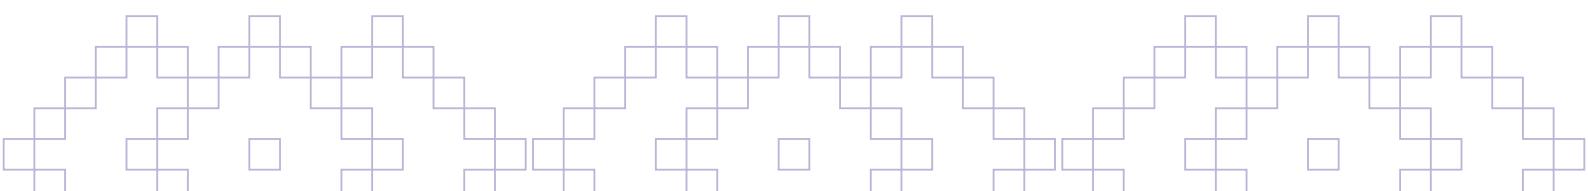

Download the LNG2026 App

Download the LNG2026 Event App to your phone from Play Store or App Store, or use the QR codes below:

HOW TO ACCESS THE EVENT APP

1. Open the Event App
2. Log in using the email you registered with
3. Follow the prompts and set up your profile

EVENT APP FEATURES

ONCE LOGGED IN

Depending on your registration type you will have access to different features.

APP FEATURES AVAILABLE TO ALL ATTENDEES:

- Event information
- Show Daily

APP FEATURES FOR CONFERENCE DELEGATES:

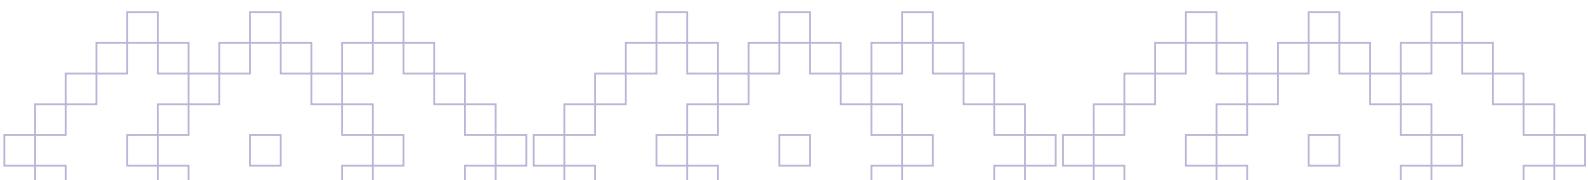

- View attendee list
- Schedule meetings
- Manage your schedule
- View speaker profiles, papers, and posters

APP INFORMATION DESK

If you require help or advice with regards to the Event App, please speak to our staff at the Event App Support Desks located in the Spider Area, Level 1 and Exhibition Foyer, Ground Level.

For support, please email: support@allintheloop.com

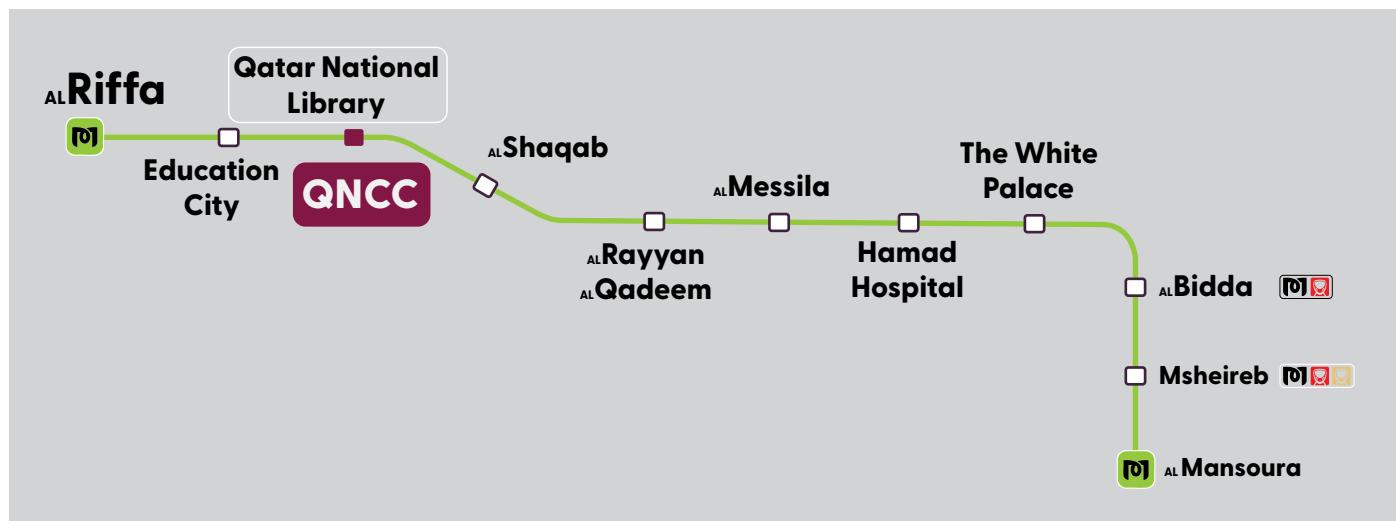

TRANSPORTATION

Metro

The Qatar National Convention Centre (QNCC) is conveniently accessible via the Metro Green Line. Attendees are advised to disembark at Qatar National Library Station, the closest and recommended stop.

Golf Carts

Golf carts will be available at Qatar National Library Station from 1 - 5 February to assist attendees with transportation to and from QNCC.

Pick-Up Location	Drop-Off Location	Time
Qatar National Library Station	QNCC	Every 5 minutes between 7:00 – 17:00
QNCC	Qatar National Library Station	Every 5 minutes between 8:00 – 18:00

Shuttle Buses

Shuttle buses will operate from Education City Station from 2 - 5 February, providing transportation to and from QNCC for attendees travelling from Al Riffa (Mall of Qatar).

Pick-Up Location	Drop-Off Location	Time
Education City Station	QNCC	Every 10 minutes between 7:00 – 17:00
QNCC	Education City Station	Every 10 minutes between 8:00 – 18:00

Welcome Reception - Executive Delegates

On 2 February, shuttle buses will be available at QNCC to transport Executive Delegates to and from Longines Outdoor Arena at Al Shaqab for the LNG2026 Welcome Reception. If arriving by Uber, please select Al Shaqab Parking as your drop-off location and enter via Gate 7.

Pick-Up Location	Drop-Off Location	Time
QNCC	Longines Outdoor Arena at Al Shaqab	Buses will run every 5 minutes from 16:30
Longines Outdoor Arena at Al Shaqab	QNCC	Buses will run until 20:00

MEDIA PARTNERS

We extend a big thank you to our media partners for their continued support. You will find many of their publications available throughout the event; don't forget to pick up your complimentary copies.
