

Marine Food, Care, Accessories & Decor

Winner: Fuzz Out

Entered by: Aquatic Now (stand J11/H11)

The judges said: This is a unique all-in-one filtration media dedicated to the removal of hair algae. It also removes toxins, metals, odours, organics and phosphates.

Marine Equipment & Aquaria

Winner: Reef Delete

Entered by: Aquatic Now (stand J11/H11)

The judges said: This is a stand out product, showcasing the very best in innovation. It's also a professional looking piece of equipment. It has great packaging and is a truly unique product.

Freshwater Equipment & Aquaria

Winner: CrystalSkim Aquarium

Entered by: Oase UK (stand D21)

The judges said: It's a well-built, solid piece of equipment with an acceptable price point. It feels new and innovative.

Aquarium Food, Care, Accessories & Decor

Winner: Absolute Wormer+

Entered by: Cloverleaf (stand C11)

The judges said: This product helps to address an issue that is not discussed enough...and that is worming fish. It's a range of three anti-wormer treatments designed for use in freshwater tanks with invertebrates.

Pond Equipment & Construction

Winner: Tempest

Entered by: Evolution Aqua (stand G51)

The judges said: This is an amazingly good and efficient product that will help to deliver crystal clear water. It offers additional mechanical and biological filtration.

Pond Food, Care, Accessories & Decor

Winner: Pro-Tect Advanced Dosing System

Entered by: Cloverleaf (stand C11)

The judges said: This could develop into a revolutionary product. It will bring technology usually associated with the marine world to the pond sector.

Reptile

Winner: biOrb Earth

Entered by: Oase UK (stand D21)

The judges said: This is an outstanding vivarium with everything you could possibly need. Every aspect of this product's environment – temperature, humidity and lighting – is controllable via an app.
