SentiaNova AG, Zeughastrasse 31, 8004 Zürich, Switzerland

50m

+1

US beef industries

overnight

+3

Global Cheese Markets

on top of those that exist

3 billion kilograms

protein shortage by end of 2026
driven by GLP-1

50%
of EU capacity is stranded

The infrastructure exists
The problem is **taste**

SENTIA NOVA

We have fixed the taste of plant protein

Patented | CAPEX light | Clean label | No novel food approval

Demand forces production scale-up

Taste confirmed
Now they want more

Built by

FOOD **FOUNDERS**
STUDIO

\$1.25M pre-seed invested

- ➔ **Investors** - discuss our seed round
- ➔ **Food companies** - arrange samples
- ➔ **Ingredient producers** - talk partnerships

Thank you
