

InfoComm Show Policies

Show Rules

Every person entering the show floor or classroom must have an official InfoComm 2021 badge.

No one under the age of 16 will be admitted on the show floor or in session rooms. No strollers are permitted.

Due to the sensitive nature of new products and unique booth displays at the show, professional photography and/or video recording for commercial purposes of any booth by any attendee/exhibitor personnel is prohibited. Exceptions are made only when permission is obtained from the exhibitor whose booth/product is being photographed/videotaped and all individuals appearing in the photograph or video.

By registering for InfoComm 2021, you consent to InfoComm's collection and storage of the data on this form. Registration and attendance at or participation in AVIXA meetings and other activities constitutes an agreement by the registrant to InfoComm's use and distribution (both now and in the future) of the registrant's or attendee's image or voice in photographs, videotapes, electronic reproductions or audiotapes of such.

If you allow exhibitor personnel to scan your badge during InfoComm 2021, you permit AVIXA and its partners to provide your contact information to exhibitors who may send you products or services that may be of interest to you. If you do not wish exhibitors to receive your contact information, do not allow exhibitors to scan your badge.
