## Hydrogen & Humber Freeport: Unlocking Clean Growth

**YOU'RE INVITED**

This panel, hosted by **Simon Green, CEO of Humber Freeport**, will explore the pivotal role of **hydrogen** in driving the Humber region's decarbonisation, industrial transformation, and energy security.

Humber Pavilion,  
Innovation Zero 2025,  
Olympia London

Tuesday 29th  
April 2025  
(2:30-3:30pm)

Bringing together key industry leaders, the discussion will highlight how the Humber's strategic advantages, infrastructure, and policy framework create a prime environment for investment and innovation in the hydrogen economy.
