

A group of people is gathered in a modern, industrial-style space, likely a co-working office or event space. The room features exposed pipes, ductwork, and concrete walls. In the background, a wall is covered with a grid of small, light-colored cards or documents. A sign with a red arrow and the text "Sustainable Ventures" is visible on the wall. The foreground is filled with lush green plants, some of which are out of focus. The overall atmosphere is professional and collaborative.

Events at
**Sustainable
Ventures.**

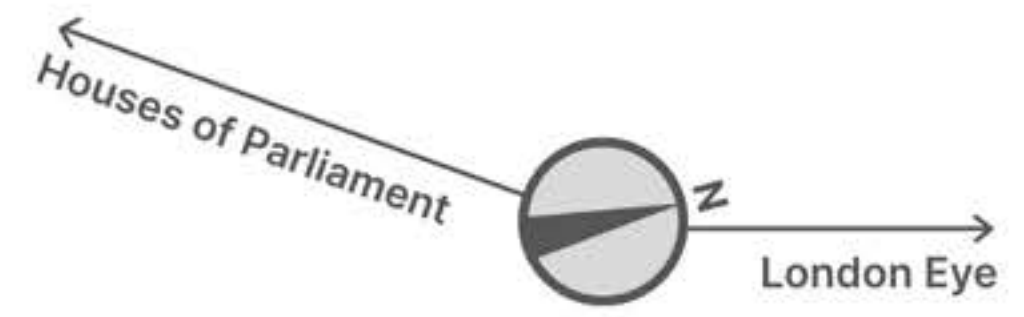

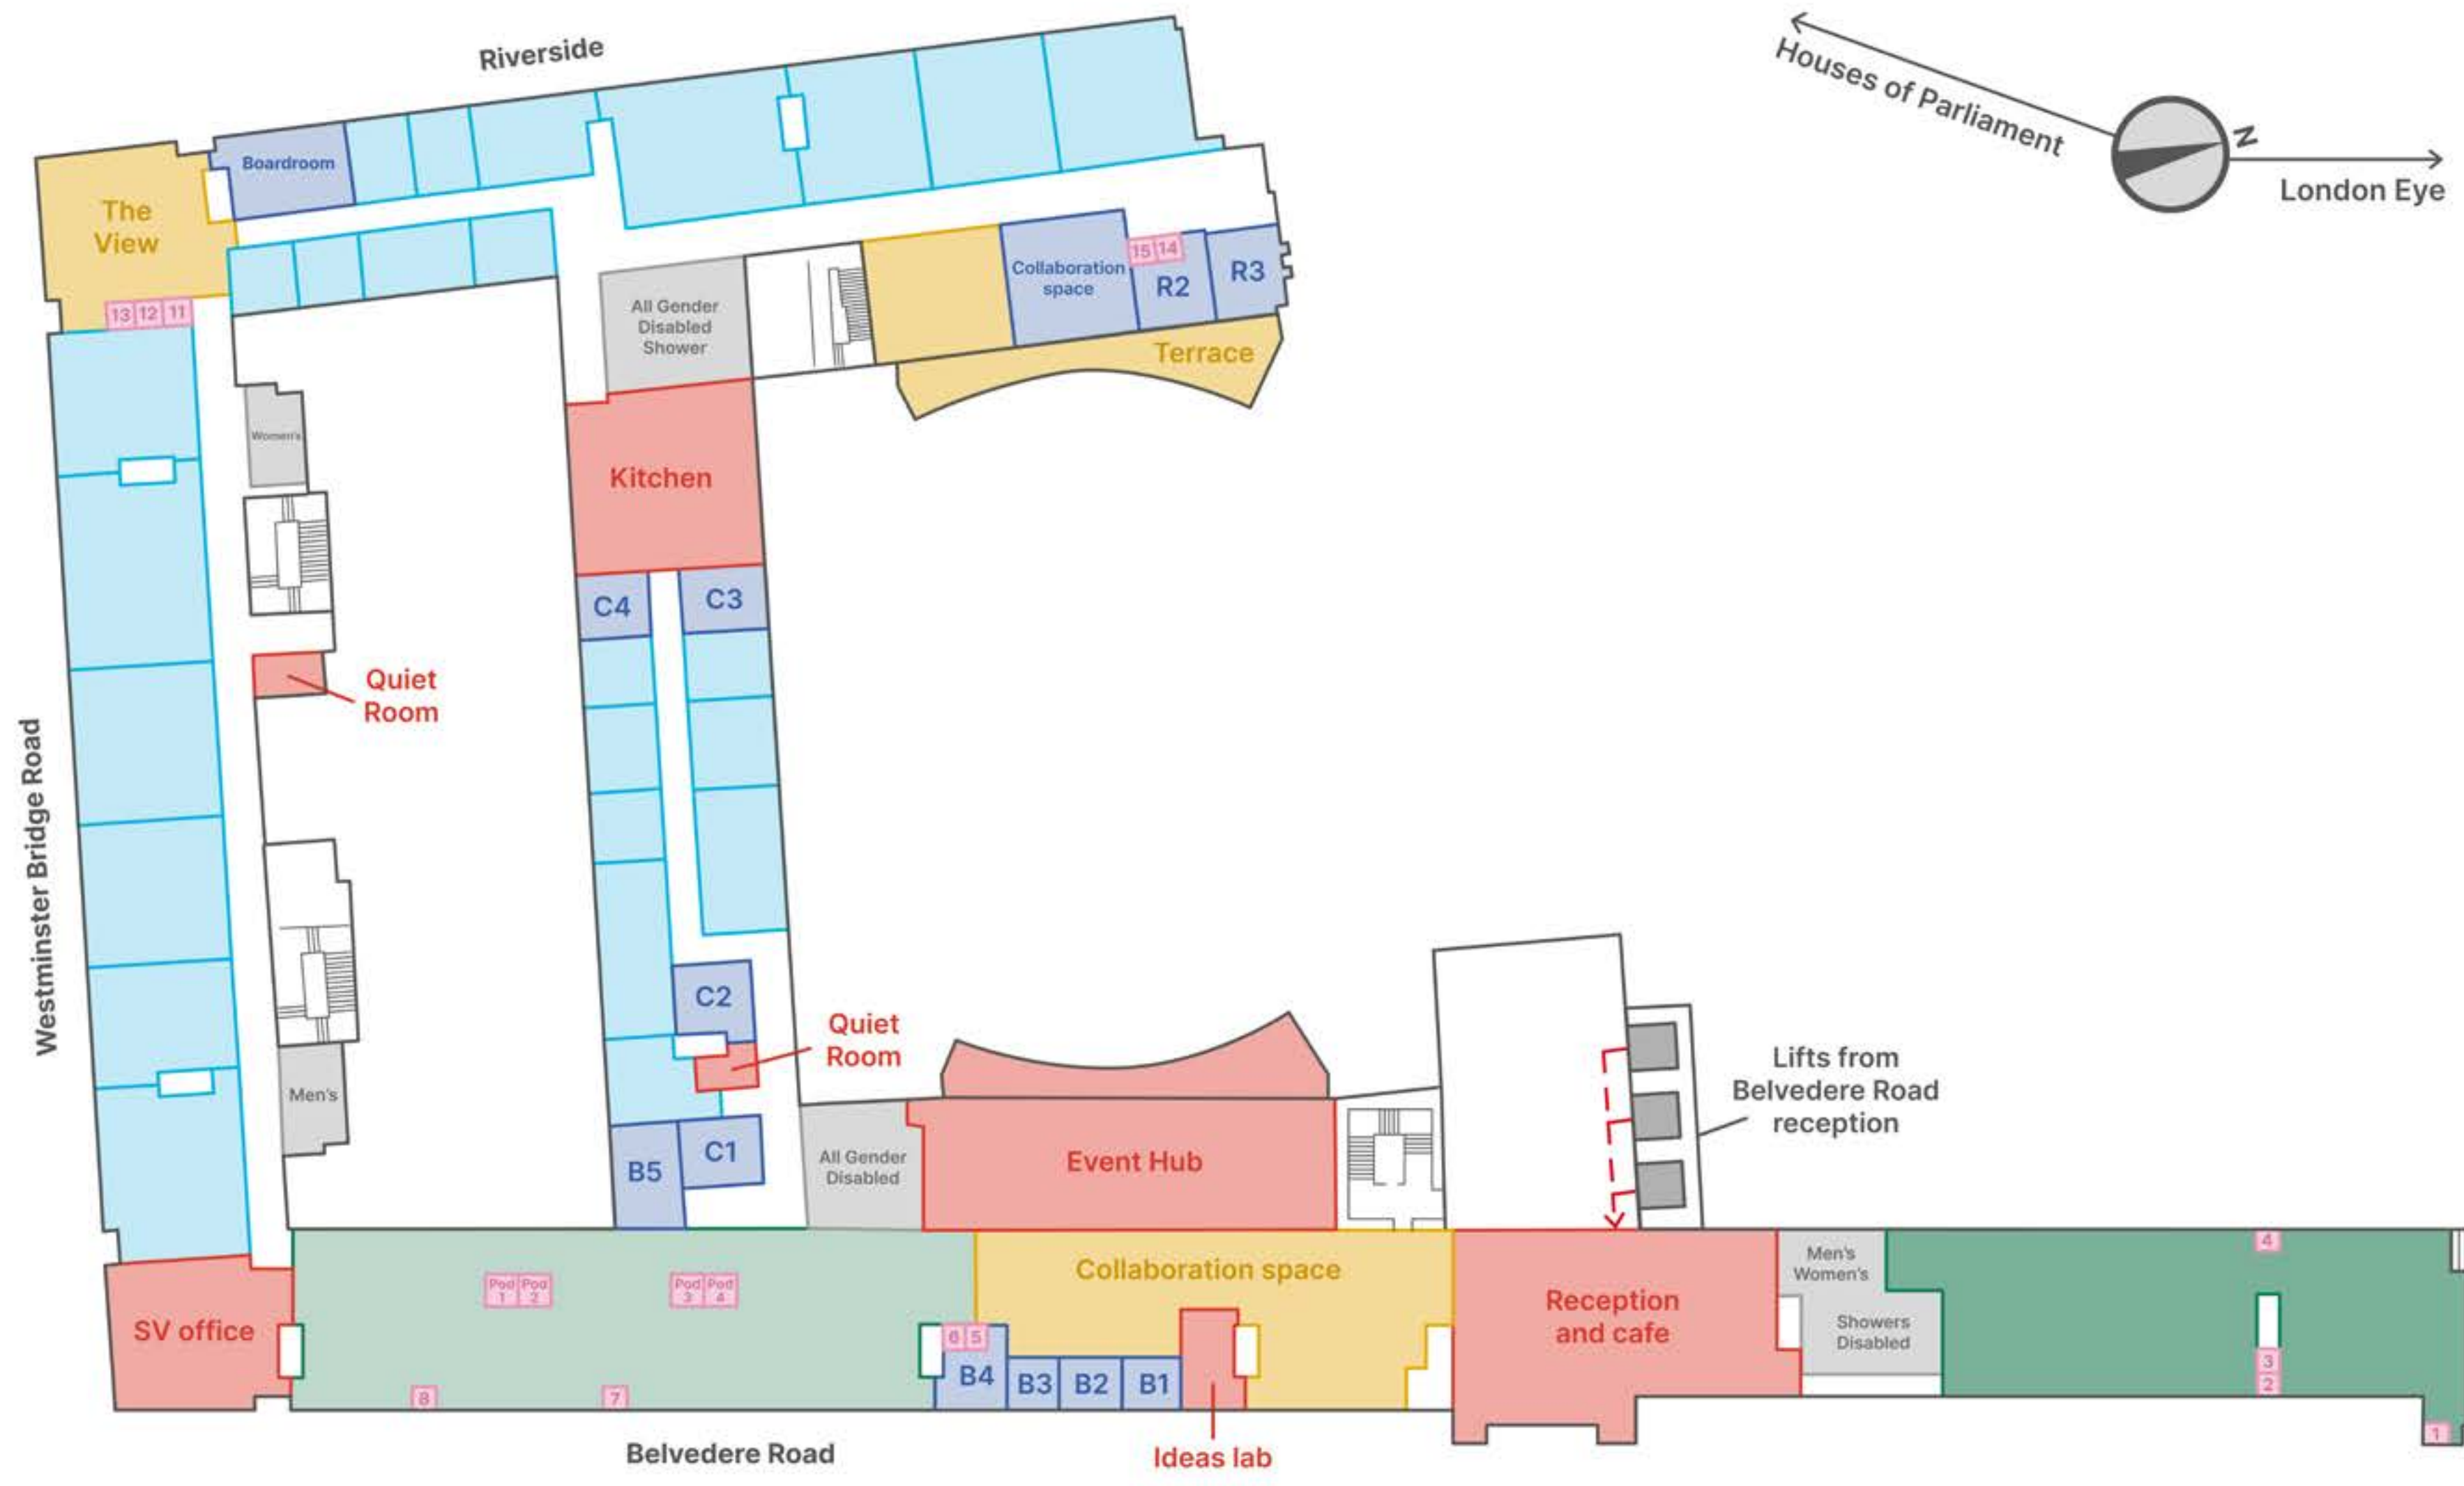

Welcome to the home of climate tech.

Our County Hall HQ
is home to the **largest
hub for sustainable
organisations** in Europe.

Sustainable Ventures' flagship space hosts a community of over 100 businesses working to tackle the climate crisis.

Within this prominent London landmark, we've curated a series of unique spaces, incorporating sustainable design, historic features and the inspirational stories of our community.

This setting provides an unforgettable backdrop to come together as a team and impress guests alike.

Our offering

Our dedicated events team is on hand to help you to create bespoke events, centred about sustainability.
