

**STARLING**

Reliable, unbiased

# Getting ready for **EUDR\***?

*Starling measures the environmental  
impact of supply chains and  
delivers on deforestation-free  
commitments.*

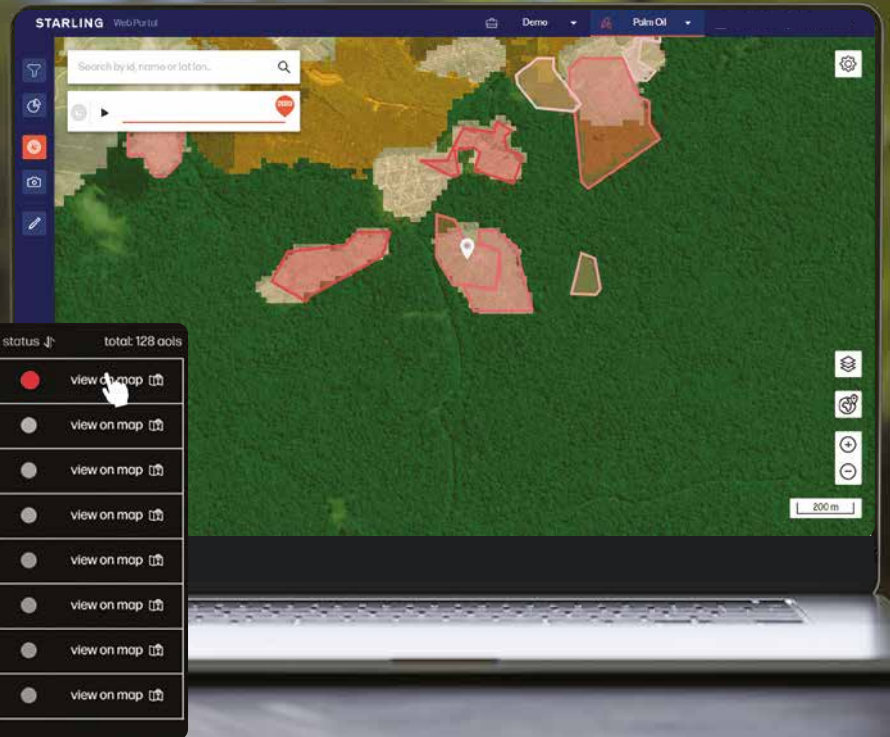

\*European Union Deforestation-free Regulation

**AIRBUS**

Looking for help  
to comply with  
the EUDR?  
**Starling is the  
solution.**

## Starling helps manage deforestation risk

Starling supports companies comply with the European Union Deforestation-free Regulation

Helps companies understand and appreciate the complexity of their supply chain

Provides timely alerts when deforestation is detected

And with our partner the Earthworm Foundation, we support companies prioritise action-taking to bring about real change

## Companies should take action now

Take ownership of your supply chain to go beyond.
