ABOUT US

Energies Media is an oil and gas and renewable energy business digital magazine and content platform providing comprehensive industry coverage. We're dedicated to fostering a deeper understanding of the forces shaping our energy future. Whether you're a seasoned industry veteran seeking cutting-edge insights or a newcomer eager to explore this dynamic industry, Energies Media is your trusted companion on this journey.

Energies Media is a new online platform and magazine that merged legacy titles:

-OILMAN -OILWOMAN -ENERGIES -ENERGY CAREER

CONTENT MARKETING

Guest Article

For pricing please inquire

Guest articles are available in *Energies Media Magazine*. Publishing an article is an outstanding way to increase brand awareness, establish thought leadership, develop engagement with buyers and drive traffic to your website. Guest articles effectively rank in search engines and are not removed by ad-blocker software.

When you submit your guest article, it is published in the magazine edition of your choice, appears online, is sent to our e-newsletter subscribers, and is promoted on social media. You can also include a video posted in the middle of the article and as a popup in the magazine.

Word Count: 1,000 - 1,200

Supporting Graphics: Photos, Illustrations, Graphs (2-4 images) **Include:** Author name, headshot, and bio with contact information

Press Release

For pricing please inquire

Post your company's press release directly on Energies Media's homepage. Your announcement will also be distributed to our social media feed and published in our newsletter.

Word Count: 800 - 1,000

Supporting Graphics: Photos, Illustrations, Graphs (1-2 images)

Guidelines

All content is subject to editing and approval. Contact us for article direction, we are happy to help.

VIDEO + PODCAST

Video Interview

For pricing please inquire

Sit down with Energy Media to create a compelling video interview that will resonate with our audience. Today's business consumer enjoys watching engaging video content combined with guest articles that inform and inspire.

Format: 1:1 or group **Duration:** 15-30 minutes

Promotion:

· Homepage video rotation

Weekly newsletter

YouTube channel

Social media

- · Guest article, if applicable
- New issue alert
- · Link available for marketing

Podcast Interview

For pricing please inquire

The podcast interviews are one-on-one discussions. Typically, the Q&A is about 15-20 minutes. Let us create a discussion around your company's product or service that will engage with our audience.

Format: 1:1 or group

Duration: 15-20 minutes

Promotion:

- · Homepage podcast feed
- Weekly newsletter
- Podcast networks
- · Social media

- · Guest article, if applicable
- New issue alert
- · Link available for marketing

E-Blast

For pricing please inquire

Announce your new product, unique service, company news or event to our audience instantly with a custom e-blast. Send us your HTML message and we'll email it to our list of qualified contacts. Only two e-blasts are sent per month.

E-Blast Requirements

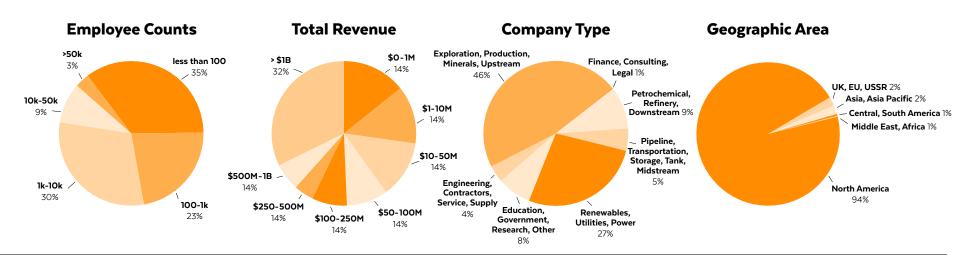

Please ensure the HTML is error-free and W3C HTML compliant. We encourage you to avoid scripting and use image alt tags. Host images on your server and use fully qualified URLs for image SRC reference (e.g., src="http://www.example.com/images/photo.jpg). Provide preview/test email address.

If you need our team to adjust HTML files that are not working properly, host images, or design your e-blast, there is an additional charge for these services.

Minimum purchase of 1,000 contacts.

PRINT ADS

Ad Placement

If available, two-page spreads are positioned within the first two pages of the magazine. Full page ads are placed facing editorial content, right hand read. Half-page ads are placed within editorial content, on either side of the page.
