Welcome to **Ability Hire**

We specialize in delivering exceptional networking experiences through our high-quality furniture services for large conferences and exhibitions.

With a strong customer-centric approach, we strive to create an environment that exceeds your expectations and ensures the success of your event.

From the initial planning stages to the execution and post-event support, we work closely with our clients to understand their unique requirements and deliver a tailored experience.

At ability Hire, we understand the importance of every detail when it comes to organizing a conference or exhibition.

That's why we take a holistic approach to your event, considering all aspects to provide a comprehensive solution.

Project Management

Ability Hire have built up a leading reputation in providing hassle-free, end to end seamless service and excellence in project management.

- Floor Planning
- Health & Safety
- Project Management
- Transportation
- Set Out
- De-rig

To ensure an impeccable outcome we will work with you throughout the project planning stage to ensure key milestones and critical path items are identified and planned in.

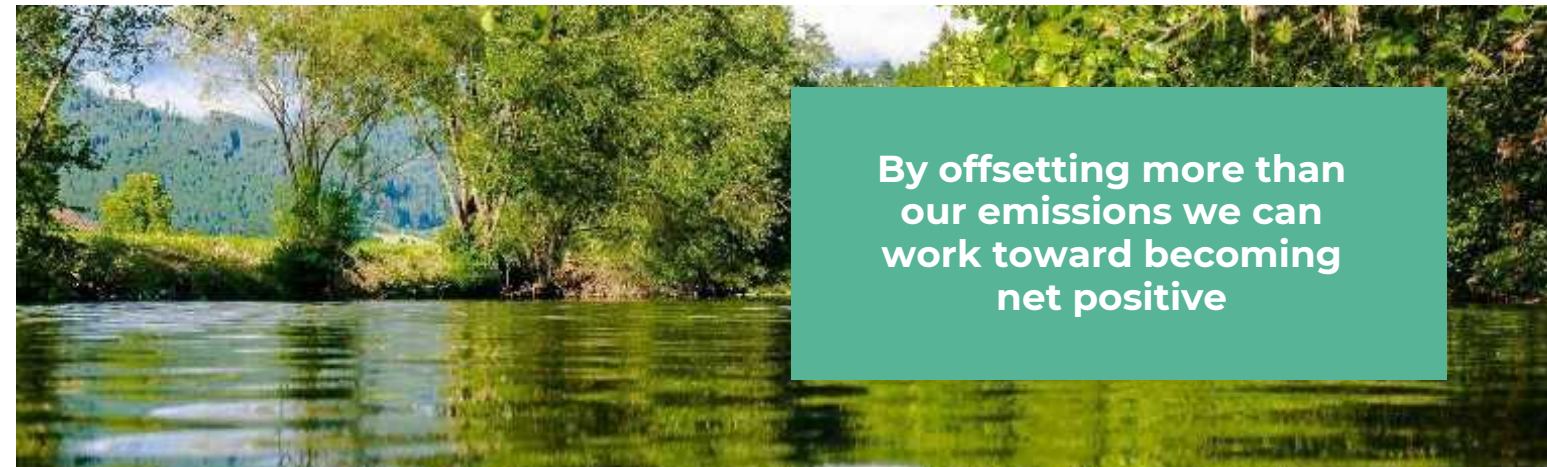

Sustainability

At Ability Hire, we understand that the events industry is responsible for 10% of global CO² emissions and 89% of event attendees identify sustainability as a priority.

These projects work to overcompensate our environmental impact and take regenerative approach by protecting trees in endangered forests.

We can now calculate the carbon footprint of each delivery of hire furniture to our clients and mitigate the climate impact by offsetting our emissions with high integrity, nature based renewable energy projects.

**By offsetting more than
our emissions we can
work toward becoming
net positive**

At Ability Hire, we understand the importance of every detail when it comes to organizing a conference or exhibition.

Our commitment to excellence and attention to detail set us apart, and we take pride in our ability to go above and beyond to meet your needs.

Experience the difference with Ability Hire and let us help you create a memorable and successful event that leaves a lasting impression with your attendees.

Conferences & Exhibitions

World leading conferences and global summits don't just happen.

There are many hours of tedious work in the months leading up to the event and Ability are here as that trusted, solid partner all the way through.

By teaming up with Ability, you can be assured that you will receive impeccable attention to detail from the initial concept design stage to the full implementation of a truly great experience.

Ability work with industry leading exhibition organisers, contractors and stand builders, providing complete furniture solutions for trade shows and exhibitions.

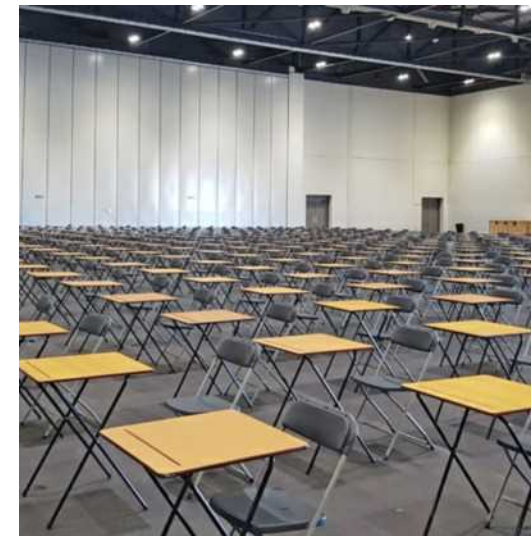

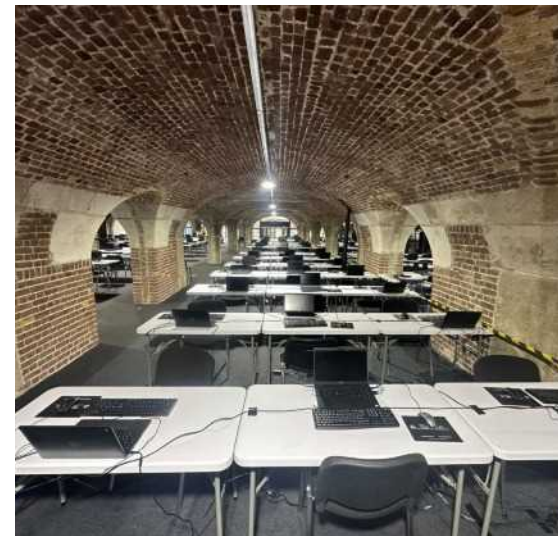

We are recognised official furniture providers for many of the large trade shows around the UK.

Our professional hire furniture service for exam furniture offers a range of furniture options to cater to various exam types, whether in person or online.

Our trained professionals can oversee the setup of furniture at the exam venue and de-rig again at the end of the event.

Working with some of the leading exam boards, logistics partners and event venues we provide total solutions for both paper based and online exams.

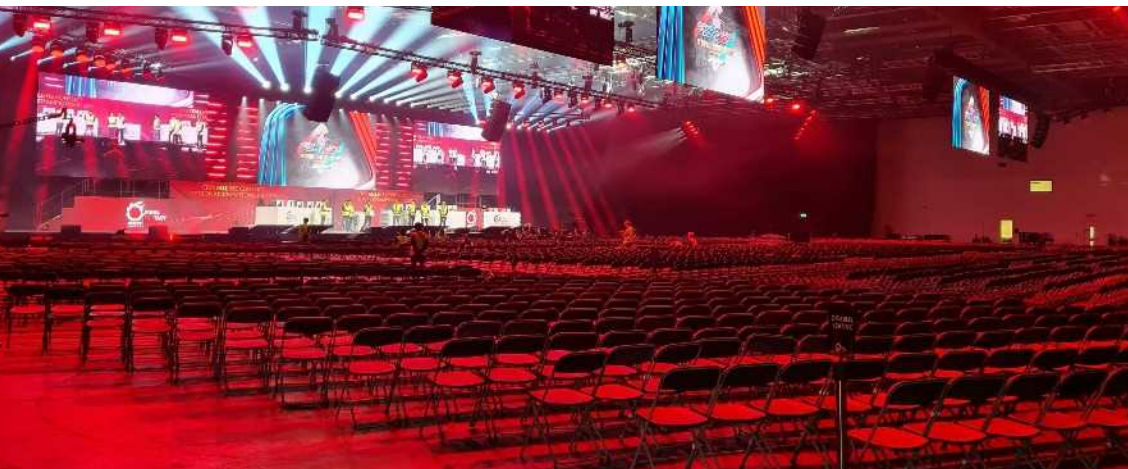

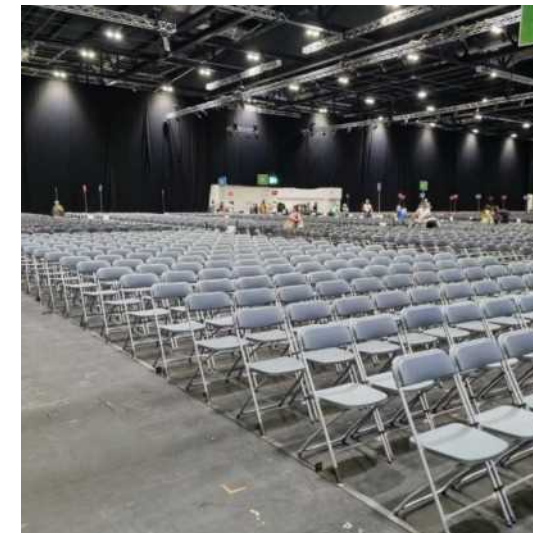

Our team will work with you from the outset including initial floor plans and concept designs through to full sign off, furniture hire, logistics management, on-site set up and de-rig on completion.

Live Events

Our professional hire furniture service for live events typically offers a comprehensive range of furniture options to cater to various event needs, ensuring comfort, aesthetics and functionality.

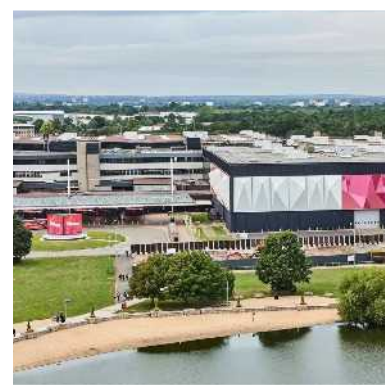

Our trained professionals can oversee the setup of furniture at the event venue and de-rig again at the end of the event.

Our team will work with you from the outset including initial floor plans and concept designs through to full sign off, furniture hire, logistics management, on-site set up and de-rig on completion.

A photograph of an exhibition hall featuring several 'Poseur Tables' in the foreground. These tables are tall, silver, chrome-finished metal stands with a circular white top and a matching white-cushioned bar stool. In the background, there are various exhibition booths. One booth has a sign for 'Jago' and 'spiny.ai'. Another booth has a sign for 'woodwing' and 'From Print to Digital and beyond'. A third booth has a sign for 'Payments for the digital economy'. The floor is a light grey, and the walls are white with recessed lighting.
