

# ISE Official Suppliers 1

There are multiple companies mentioned throughout this manual. Therefore, it is essential to know who the Official Suppliers are for ISE 2024. On this page is an overview of each Official Supplier, including a detailed description of their responsibilities in relation to the show. **They can be recognised in their communications by our Official Supplier logo.**

Service	Official Supplier	Responsibilities	Company logo
Logistics and Showfreight	CEVA Showfreight	CEVA Showfreight is our official partner for logistics and on-site handling. They assist exhibitors with shipments to and from Fira Barcelona and are the only company authorised to operate motorised equipment within the venue (including forklifts, cranes, electric pallet trucks, cherry pickers and scissor lifts as well as truck mounted forklifts and cranes).	
Exhibitor Services, Shell Scheme	Servifira	Servifira is the Exhibitor Services department of Fira Barcelona. They manage all services available for Exhibitors during build-up, show days and breakdown, and will also be selling basic and premium stand packages through the ISE Fira Store.	
Tailor Made Stands	buildUP by Fira	Fira Barcelona's stand design department specialised in custom-made projects for mid-size and large booths.  They create unique stands based off your ideas.	
Stand Design Approval and Health and Risk Assessment	Abraxys Global	Abraxys is our official Health and Safety partner. They are responsible for approving space-only stand designs as well as monitoring health and safety on-site during build-up, show days and breakdown.
