## An Experience You Can't Miss!

Dive into a world of wonder at The Barcelona Aquarium, a Mediterranean-themed spectacle renowned across the globe. Be amazed as you watch the fish feeding, marvel at captivating aquatic animals, or even take the plunge and swim among sharks!

Explore the depths of the sea in this extraordinary setting, featuring 66 Mediterranean and tropical aquariums that house 11,000 specimens from over 450 species. At the heart of it all is the spectacular Oceanarium, where a thrilling 80-meter-long transparent tunnel brings you face-to-face with sharks, moray eels, and countless other marine wonders.

But this is more than just a fun. As a recognized Center for Mediterranean Marine Conservation, the Aquarium inspires a love for marine life through education and unforgettable encounters.

And now, get ready for our brand-new immersive attraction: “Journey into the Depth.” Embark on a breathtaking virtual journey from the ocean's surface to its deepest depths. Experience stunning visuals, meet fascinating creatures, and discover the beauty and fragility of the underwater world. This is an adventure you simply cannot miss—and it's included with your ticket!
