

SAFETY TIPS

Public transport

Always try to be alert
During journeys keep bags and luggage closed and in sight,
both on platforms and at stops
Avoid places with a high concentration of people

Mobile devices

Use it discreetly and try to be alert to what is happening around you
Take care of your phone in bars, cafes, restaurants and music venues
Keep your mobile devices in a place that is not easily accessible

On the street

Avoid street vendors and do not accept gifts or objects
In case of crowds, carry your bag or backpack in front of you
Keep your personal items in sight (wallet, purse, suitcase, etc.)

Accommodation

Always keep on eye on your luggage and personal items when you are
checking in and in common areas
Do not leave money and valuable items in plain sight. If possible, use the safety
boxes

Touristic places

Avoid crowds at tourist attractions
Take care of your belongings at markets, shows, fairs and events
Be wary of suspicious offers
