Company Q&A

£3750

Our interviews are conducted by a member of the Inavate editorial team in a casual, conversational format. This provides viewers with content that has an independent feel while enabling you to promote your message away from the more traditional product video promotion. The interview approach will be predetermined by mutually agreed questions, ideally will be no longer than 3 minutes.

What you get

- x1 Company Q&A
- Professionally shot and filmed on an agreed day & appointment time at ISE
- x1 Guaranteed inclusion on x1 Rise Show TV e-bulletin during or post expo
- Videos hosted on Rise Show TV, Inavate YouTube & Inavate.TV
- Embed code provided, to enable you to use the video file on your own site
- x1 Video Social promotion

Exhibitor Message

New product launch or company announcements?

If you are launching, demonstrating product for the first time or have important company announcements, then please do contact the riseshow.tv team via inavate@imlgroup.co.uk

We are happy to sign NDA's and work with you on embargoed information with the view of potentially setting up editorially led content.

Panel Discussions

Panel discussions will be held in the Rise Show TV Studio on each day of ISE. Each sessions agenda will be promoted on the run up to ISE, if you have an interest in getting involved and benefitting from industry exposure, please contact dan.jago@imlgroup.co.uk or call +44 (0)1732 359990.

Sadly, the time constraints, production and costs associated of professionally producing video content as quickly as possible does mean we are unable to cover everything, even if we want to. As such we have paid for opportunities that provides unrivalled share of voice during ISE.
