

Subject: Request for approval to attend WHIS 2026

Dear **[Manager's Name]**,

I would like to request approval to attend WHIS 2026, the Women's Health Innovation Summit, taking place October 13–15, 2026 at Encore Boston Harbor.

Now in its 8th year, WHIS is the largest and leading gathering for the women's health industry, bringing together 1,000+ senior leaders across payers, providers, pharma, investors, and health systems. With 150+ payers and providers and 120+ speakers across four dedicated content tracks, it's the most concentrated access to the people driving women's health forward available anywhere.

Key benefits for our team include:

- **Strategic insights:** Sessions across AI & Digital Health, Consumer Centric Care, Healthcare Costs & Models, and Therapeutics, Diagnostics & Med Device Innovation, covering the topics directly shaping our space right now.
- **Unmatched access:** 150+ payers and providers, alongside pharma executives, investors, and health system leaders, all under one roof for three days. The kind of access that would take months to replicate through any other means.
- **High-value networking:** 1,000+ senior decision-makers attending, including representatives from Google, McKinsey, Kaiser Permanente, CVS Health, Abbott, Maven Clinic, Blue Cross Blue Shield, and more, creating direct opportunities to build relationships with peers, partners, and potential customers.

Full event details are available here: <https://www.whisusa.com/>. Discounted passes are available for teams sending multiple attendees.

Please let me know if you'd like to discuss further.

Kind regards,
[Your Name]
