

SITE RULES

**We want everyone to be safe at the LANDSCAPE Show.
The following applies to all contracted staff,
exhibitors, and authorised visitors:**

- Vehicle access into the halls and or a CDM site has to be approved by the organisers.
- All forklift and vehicle movement within the halls and outside the halls that are directly linked to an event must be co-ordinated and managed safely by the Principal Contractor (organiser) of the event.
- Comply with NEC Traffic Rules at all times.
- Emergency gangways should be maintained to allow cleaning tractors, forklift movement and emergency access/egress at all times.
- Only authorised access to exhibition halls is allowed – all personnel working within a CDM site must be inducted and informed of the NEC site rules.
- Appropriate management and safe methods for working at height is required at all times.
- Hot work requires a hot work permit from the venue.
- All accidents, incidents & near misses both within / outside the halls must be reported immediately to the organisers.
- Work tidy - maintain good housekeeping at all times and dispose of all waste in an appropriate manner.
- Smoking (including e-cigarettes) is only permitted in designated smoking areas.
