

Registration Tech: Pushing the Envelope

Presented by Raju Patel | CEO of eShow

JULY 24, 2025

ATTENDEE ACQUISITION ROUNDTABLE

eSHOW

ABOUT THE SPEAKER

Raju Patel

- **Founder and CEO of eShow**, established in 1996 to solve key challenges in the event management industry through technology.
- **Visionary leader** focused on optimizing clients' tech stacks to streamline event promotion, management, and execution.
- **Over 26 years of success** driving innovation with a fully integrated and adaptive suite of event management solutions.

Registration Trends:

What Today's Attendee Behavior Means
for Tomorrow's Landscape

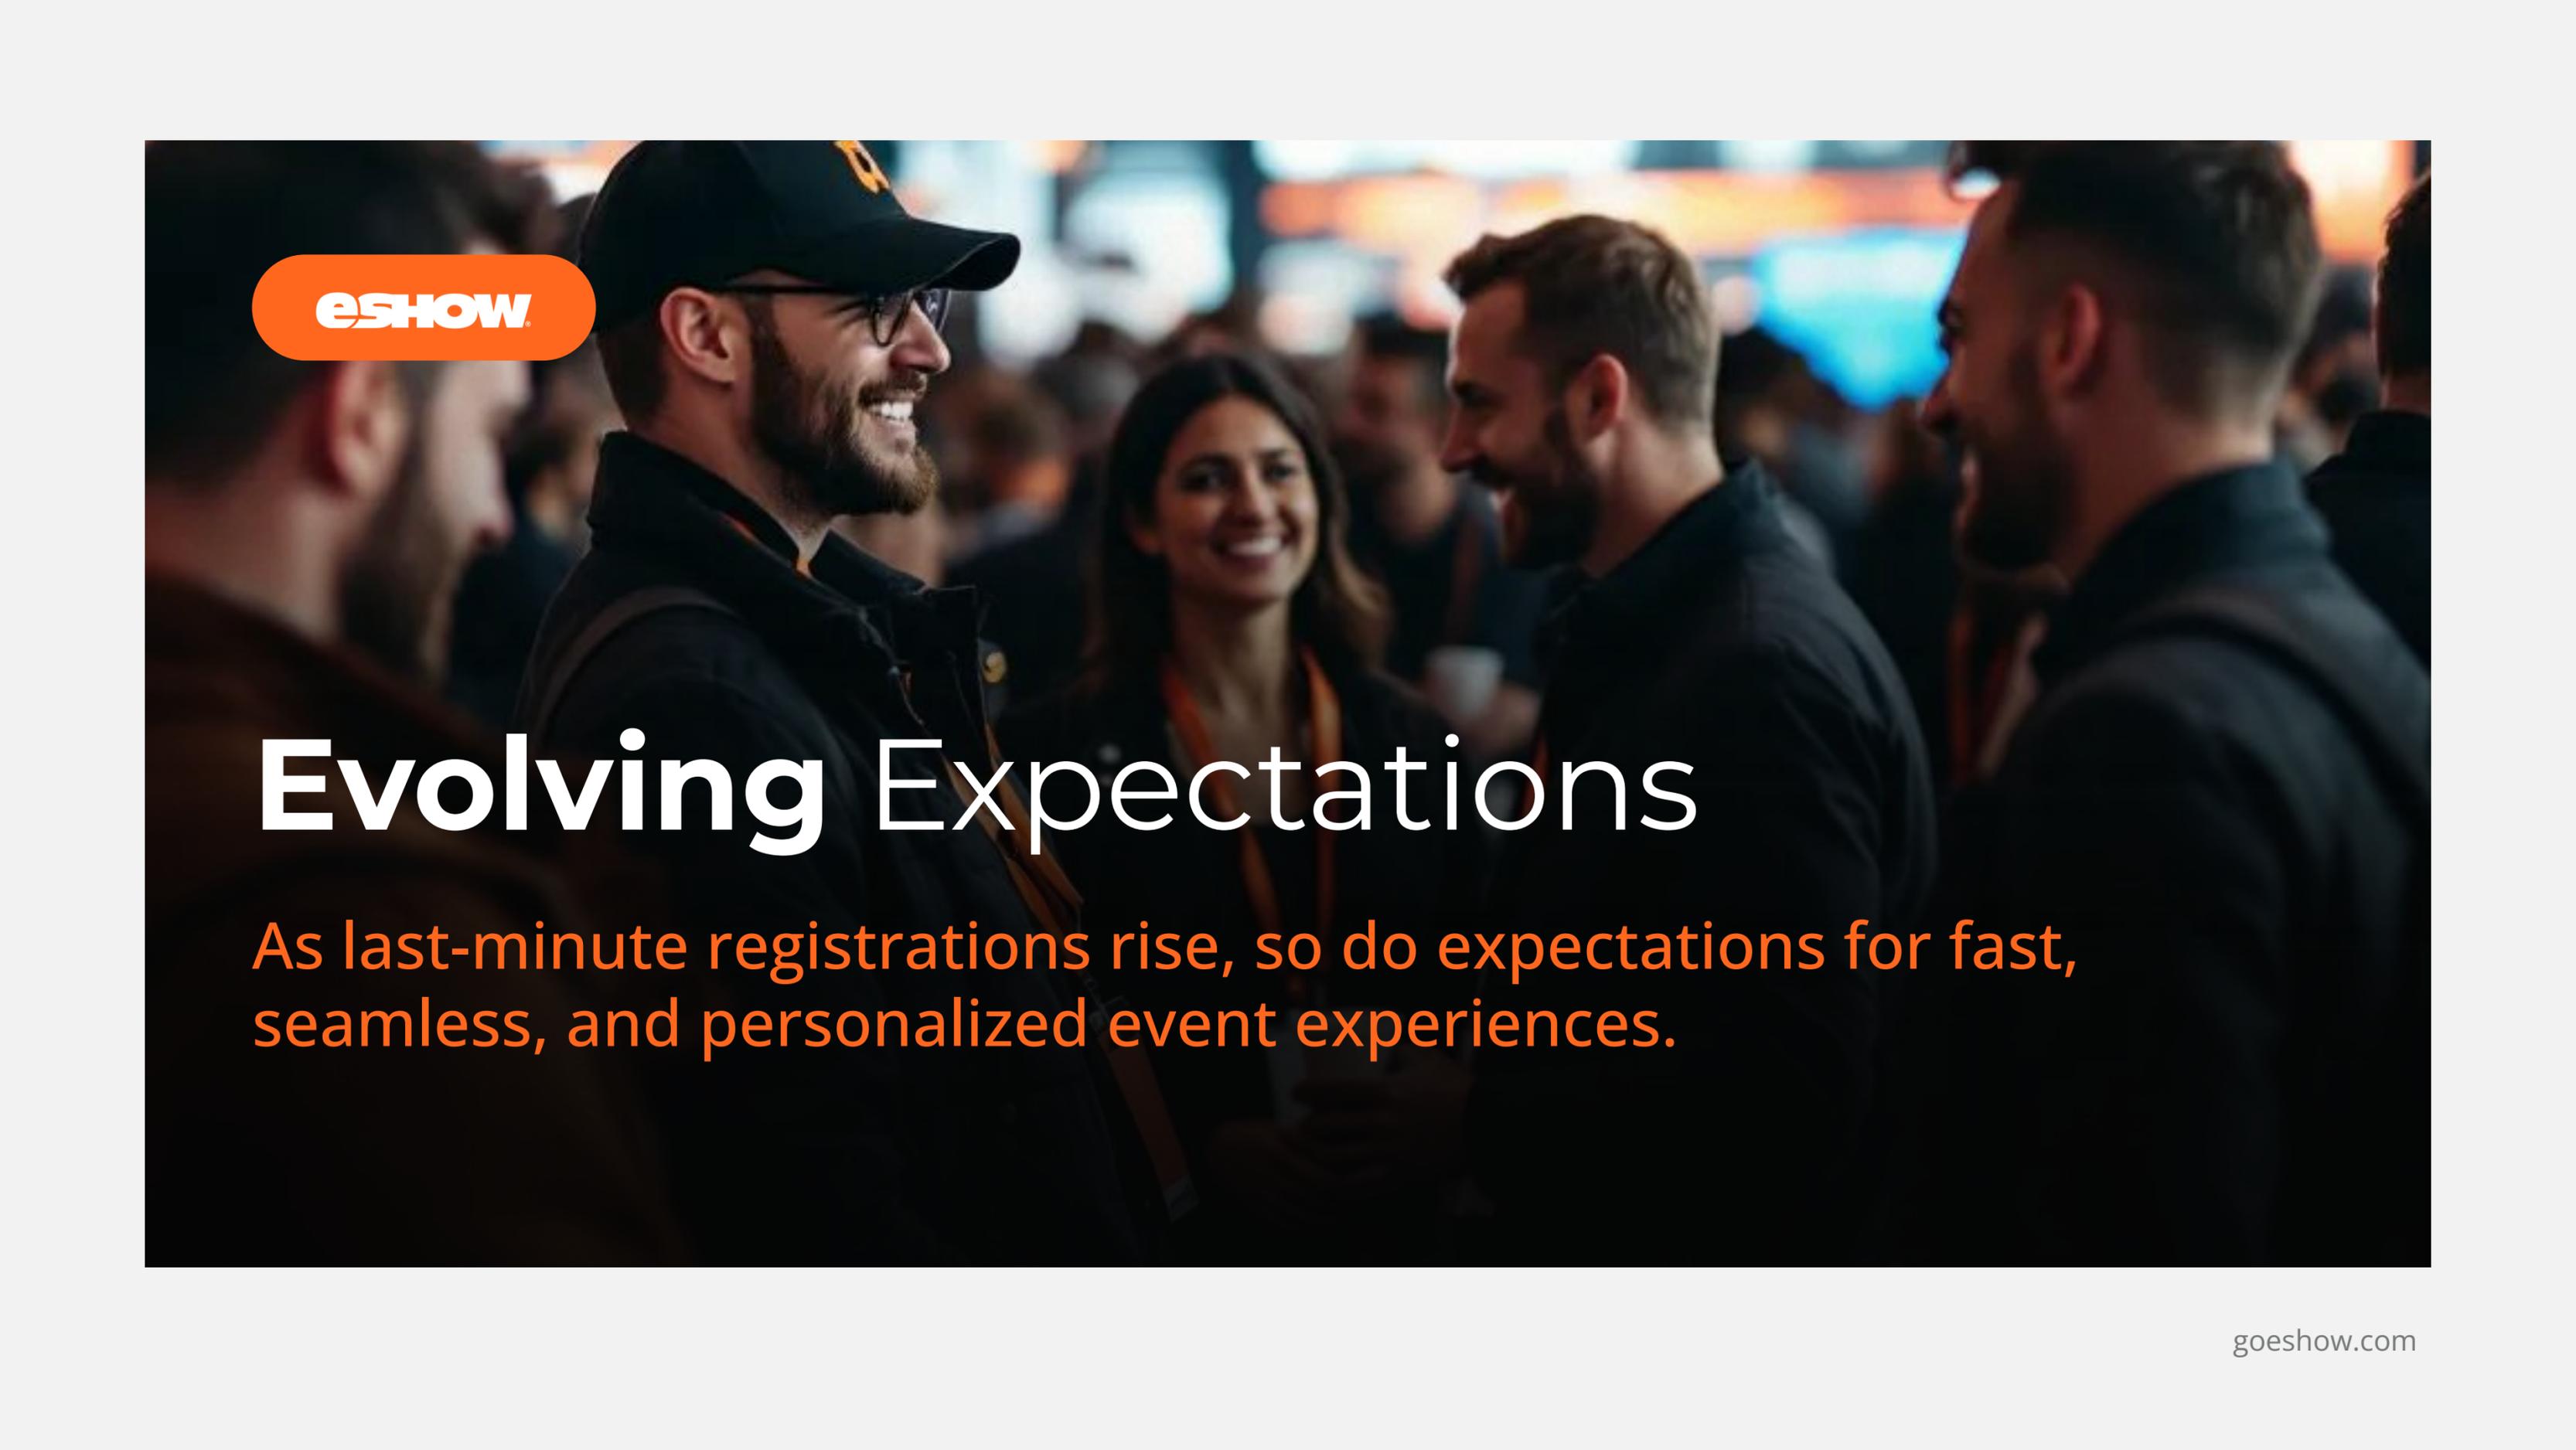

60% of attendees **register in the final 2 weeks**

- **29%** register 8 - 14 days out
- **22%** register 1 - 7 days out
- **9%** register **on-site**

Evolving Expectations

As last-minute registrations rise, so do expectations for fast, seamless, and personalized event experiences.

eshow.

Future-Ready Registration

Smarter Systems, Seamless Journeys

- Pre-filled forms, past preferences, and profile-based suggestions
- Connect registration to housing, agendas, and AI-curated recommendations
- Real-Time Capacity; instantly adjust session availability and room assignments
- Ask AI: “What event should I attend for X?” and get matched
