

APRIL 7-8, 2026 | METRO TORONTO CONVENTION CENTRE

Why Attend Future of Work Canada 2026

Strategic insight. Practical case studies. Meaningful peer connections.

1. Three Strategic Conference Tracks

- Access all three tracks across both days: **Change & Transformation, People & Experience, and Learning & Leadership.**
- Move freely between sessions and create a personalised agenda aligned to organisational priorities.
- Gain strategic insights alongside practical implementation frameworks.

2. High Impact Strategic Keynotes

- Hear from leading economists, AI experts and workforce strategists shaping the future of work in Canada and globally.
- Understand macro trends impacting labour markets, productivity and organisational performance.

3. Real World Case Studies & Interactive Sessions

- Learn directly from organisations implementing transformation, EVP redesign and AI adoption.
- Participate in panels, facilitated discussions and interactive sessions focused on actionable outcomes.
- Take back practical ideas that can be implemented immediately.

4. Structured & Informal Networking

- Participate in Networking Bingo and structured peer-to-peer engagement activities.
- Connect via the event app during the conference.
- Build relationships during coffee breaks and dedicated Networking Drinks at the end of Day 1.

5. Event App & Personalised Experience

- Build your own schedule across all tracks.
- Connect with peers and speakers.
- Access updates, reminders and key resources in one place.

Return on Investment

- Bringback strategic insights that support workforce planning and organisational growth.
- Benchmark against leading organisations.
- Strengthen your organisation's competitive advantage in an evolving world of work.
