Fastener Fair France to be postponed

New dates for 2nd Exhibition for Fastener and Fixing Technology to be announced in due course

Mack Brooks Exhibitions has today announced the postponement of Fastener Fair France, Exhibition for Fastener and Fixing Technology. The 2nd edition of the event, which was planned to be held from 27 – 28 May 2020 in Paris, Paris Expo – Porte de Versailles, France is postponed following the escalation of COVID-19 in Europe and globally.

Speaking about the announcement, Nicola Hamann, Managing Director of Mack Brooks Exhibitions, said: “The health and safety of our exhibitors, visitors and staff is our number one priority. After many weeks closely monitoring the evolving situation around COVID-19 and the notices issued by the World Health Organisation as well as the French Government and in close coordination with all partners involved, we have decided to postpone the exhibition.”

“Our customers, partners and the Fastener Fair France Team worked incredibly hard on this event. While it is disappointing to postpone, it is imperative that we prioritise the health and safety of everyone involved. Our goal remains to provide the best customer value for everyone attending Fastener Fair France by delivering a high-quality exhibition at a later date”, concluded Nicola Hamann.

Mack Brooks Exhibitions as the organiser of Fastener Fair France, trusts that the decision to postpone the show will enable Fastener Fair France to continue to serve the fastener and fixing industry as the dedicated platform in France for every aspect of fastener and fixing technology in the secure and safe conditions needed. Together with the venue, the Fastener Fair France Team will communicate closely with customers and partners over the coming weeks as we confirm the best available dates. We thank their exhibitors, partners, suppliers and visitors for their support during this challenging time.
