

**12th International Exhibition of
Railway Technology**

26 - 28 October 2021
Lille, France

Let's get back on track

Our industry focus

Railway technology, products and services

As the showcase event for France's dynamic railway supply industry, SIFER sets the scene for wide-ranging and productive exchanges on the future of the industry and the establishment of strategic contacts and relationships.

The event also provides a unique forum for visitors looking to source the very latest in railway technology, products and services aimed at meeting the complex needs of mainline and urban networks.

Our exhibitors

Latest innovations directly from the industry

Covering the entire rail market, SIFER is the perfect platform for suppliers to present their capabilities and latest technologies. More than 160 product categories are represented, including products and services from the following:

Passenger and freight rolling stock • Track and infrastructure
• Fare collection technology and products • On-board comfort
• Passenger information • Signalling and train control systems and equipment

NEW FOR 2021: Hybrid event

One show, two experiences

For the first time, SIFER will take on a new format to become a hybrid event! The new setup will merge the on-site offering with interactive digital networking opportunities. A new matchmaking system will connect visitors to relevant suppliers, allowing them to arrange meetings based on complementary profiles. International visitors who won't be able to attend due to travel restrictions will have the advantage of exploring the latest innovations and services online.

Your top 4 reasons to attend

Reinforce your relationship with existing suppliers and connect with new business partners

Gain access to the broadest range of products and services

Learn about the latest innovations and trends in the railway sector

Interact with exhibitors and other attendees to discover cooperation opportunities

Tickets

Book in advance online and save

Advance tickets are discounted and will give you fast-track admission to the event, allowing you to skip the queue on-site. Entrance tickets are valid on all three days of the exhibition.

ONLINE
