

# **Build a healthy workforce with Doctor Care Anywhere**

Accessible healthcare for your  
employees - anytime, anywhere

# Keep your business healthy *with Doctor Care Anywhere*

**Whether your employees are based in the office, in the field, or at home - they can access our services on any device, at any time.**

Doctor Care Anywhere delivers the right care at the right time to your colleagues, whether they need to speak to a healthcare professional, or have their prescription delivered to their door. We offer clinician appointments 24/7 so that we can help you support your most valuable asset - your people.

Trusted by over 1,000 companies to keep their employees and business healthy, Doctor Care Anywhere succeeds in providing the right service as we don't use a "one size fits all" approach. We provide a variety of routes to the right healthcare for everyone, so each employee can expect a tailored service that's right for them.

**875,000**

cases of work-related stress, depression or anxiety in 2022/23<sup>^</sup>.

**One in six adults<sup>1</sup>**

experienced some form of depression in summer 2022.

## Why choose Doctor Care Anywhere?

### Reduce absenteeism

#### **Improve their health**

With easy, 24/7 access to a healthcare professional, your employees will be able to fit appointments around their work and lifestyle commitments. There's no need to take time off from work to attend appointments.

### Build employee satisfaction

#### **Increase productivity**

Show your employees that you really value what they do for you, by investing in their health and wellbeing. A healthier and happier workforce will, in turn, increase productivity.

### Attract and retain the best talent

#### **Differentiate from competitors**

Offering healthcare as part of your benefit package can help you attract the best people to your growing business. And it can make it easier for you to keep them with you and keep them well.

# We make life easier for your employees

Show you care about your employees,  
your customers, and their families with  
access to appointments with healthcare  
professionals - 24 hours a day, 365 days a  
year, from anywhere in the world.

We provide healthcare benefits  
for global corporations and  
have over 2 million members.

**You're in safe hands with us.**

Online GPs could save UK business

**£1.5bn**

in lost working time

---

# More than just a GP service.

Our network of healthcare professionals are available to give medical advice, answer questions, and give peace of mind - when its needed.

## **Advanced Nurse Practitioners –** *providing care for your employees.*

Our team of Advanced Nurse Practitioners (ANPs) are all highly qualified in clinical practice and can help with a wide variety of health concerns and are the 'go-to' for minor ailments or a flare up of illness.

Advanced Nurse Practitioners appointments are available 8am to 8pm, Monday to Sunday - including public holidays.

## **What can our Advanced Nurse Practitioners do?**

- ✓ Assess condition.
- ✓ Diagnose and treat symptoms, including issuing prescriptions.
- ✓ Plan any follow up treatment that is needed.
- ✓ If needed they can also refer for further treatment.

## **A GP appointment, without visiting the waiting room.**

A choice of doctors available to speak with by video, or phone, at a time that fits into your employee's schedule. They don't need to de-register from their regular NHS GP, as Doctor Care Anywhere works seamlessly alongside it and with permission notes can be shared with their usual doctor.

# Your employees will benefit from:

**Up to 20-minute appointments** with a healthcare professional at a time that suits them, by video or phone.

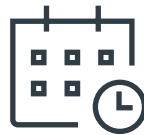

**The ability to choose the clinician** they would like to speak with.

**Access to appointment notes**, whenever they're needed.

**Prescriptions**  
Delivered to a local pharmacy or right to their door.

**Accessible anytime, anywhere** even if your employees are travelling for work or on holiday.

**My Health**  
Our wellness toolkit to improve physical and mental wellbeing.

## **QuickConsult**

**Coming soon**

Get medication or advice without needing an appointment with a healthcare professional.

# 38%

**of people said access to an online healthcare service would improve their mental wellbeing.**

**Excellent experience** - *I setup an appointment in the middle of the night. An appointment was scheduled for first thing in the morning, and the doctor I spoke to was extremely helpful and pleasant. Doctor Care Anywhere service is without a shadow of a doubt the most genuinely useful employment benefit, our benefits package offers.*

**DCA patient**

# Who we work with

Here are just a few of the businesses we've helped so far.

# How we help you, *help them*

## **Dedicated account manager**

You'll be assigned a dedicated account manager who will be available to support you throughout the onboarding process and any questions you may have.

## **HR toolkit**

We'll provide you with a launch toolkit to support you and your employees through the onboarding process. Our range of webinars around different health concerns within the workplace will also be available to view on demand.

## **Marketing support**

With our regular engagement series, we'll help you, and your employees, understand more about DCA and the support we can provide. From health tips to more information on the service, we provide you with the tools to help your employees activate and utilise the service.

## For every part of your employee's health - *there's Doctor Care Anywhere*
