## Why Welbot?

# 22%

### Uplift in Positivity

Daily Pulse Notifications allow you to understand exactly how your employees are feeling on a day to day basis.

# 94%

### Employee Engagement

Custom, employer branded, notifications drive high engagement rates with all employees.

# 400%

### Uplift in EAP Take Up

Our Tailored Signposting Technology delivers tangible results on existing EAPs and employee benefits.

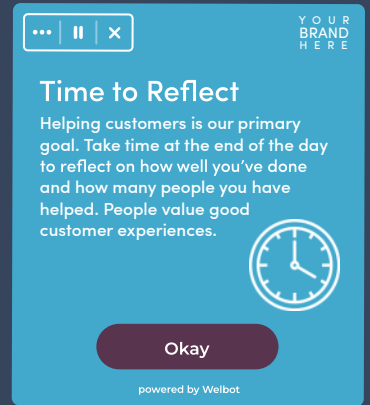

# Workplace Wellbeing Reimagined

Welbot One integrates with your wellbeing benefits and resources, linking into existing EAP initiatives, intranets and web-based portals.

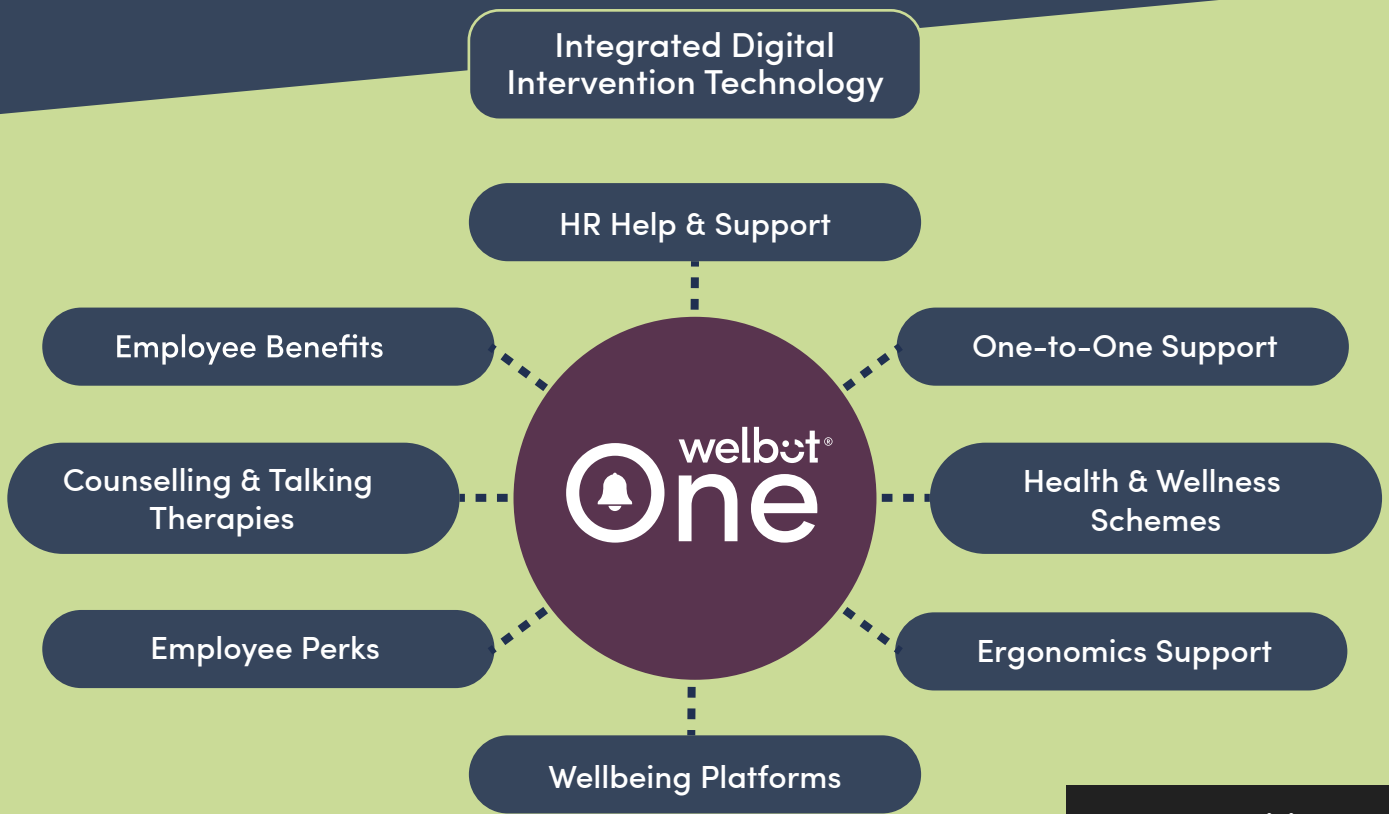

Create your own custom content or have our in-house experts create bespoke material for you tailored to your organisation.

Amplify your other internal wellbeing initiatives by intelligently promoting them through Welbot's unique interface.

Welbot features custom signposting to health and wellbeing resources and employee benefits. It seamlessly knits together the delivery of your company benefits, matching your resources to your employee needs.
