# 700 Acre Secure Site

# Versatile Spaces Indoors and Outdoors

- 25m of tracks across 700 acres
- 4 event venues
- Confidential & Secure
- Conference AV equipment & furniture
- Events for 1 – 700 indoor & up to 5000 outdoor
- B2B Events
- Film Location

# Concept 1

- Two domes and two wings, suitable for traditional event layouts and as experiential spaces
- In-house audio-visual kit for turnkey conferences
- Direct access to the 15,000m<sup>2</sup> Steering Pad for marquees, parking and dynamic demonstrations
- Reception and mezzanine areas

***“It offers a fantastic training space and driving opportunities, and the team at Millbrook have been great to work with.”***

AMCI Global

# Concept 2

- 12-metre-high ceilings with no internal support pillars for an uninterrupted view
- Linked to Concept 1 to allow for even more scope and flexibility, including accommodating delegate arrival and catering requirements

***"We are delighted to come back to Millbrook to be able to showcase our entire product range in such a superb setting."***

MAN Truck & Bus

- Discreet location can guarantee secrecy and confidentiality
- Easy access to 70km of test tracks and offers an extensive adjacent grass area for exhibitions
- Vehicular access into the venue and uninterrupted sight lines

***"It was important to us that guests got to experience the vehicles for themselves. We had great feedback from all those who attended."***

**Mercedes-Benz Trucks UK**

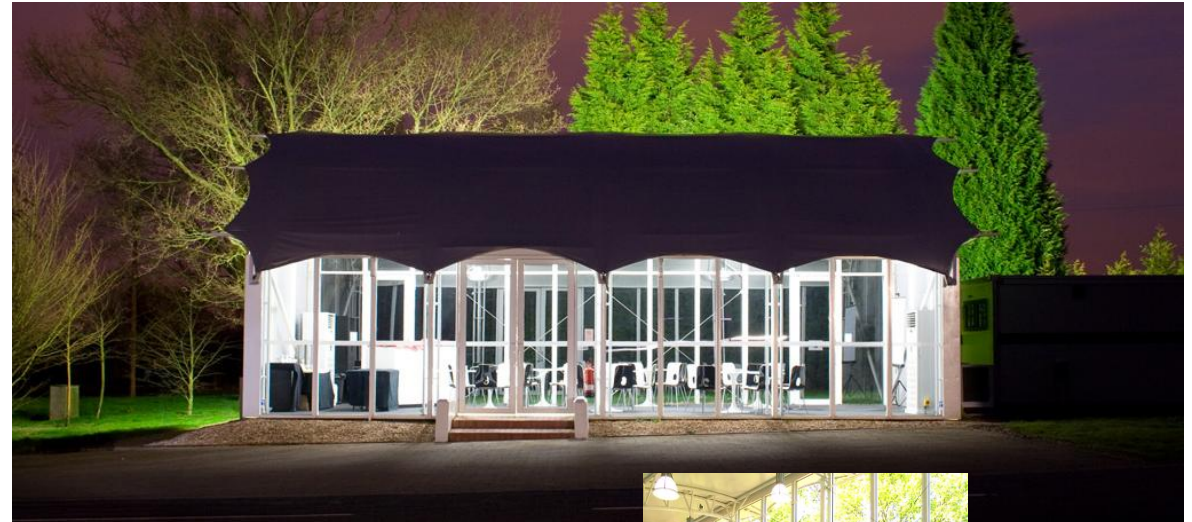

- Unique position in the heart of the test tracks
- Dedicated parking/display area immediately outside the venue
- Ideal venue for corporate driving days including the opportunity to experience the off-road tracks

***"Millbrook was the ideal location for the Nth Degree Experience, offering guests the chance to perfect their driving skills on varied and challenging routes."***

Hyundai Motor UK
