Saipan

Inspired by the 50's but with a modern twist this range offers comfort and style. Designed for both the residential and hospitality market it is the perfect fit for any living area. Also available as a clip chaise.

Upholstered in Yarn Collective Ablee recycled cotton

Kharkiv

This soft low modular range is designed for the workplace and hospitality communal areas. Named after the city where our 3D product renderer lived in Ukraine before the rockets started raining down. Normally our product ranges are named after places of tranquillity from across the world, so this name is clearly ironic. All net profits from the sale of this range will go to Ukrainian charities to help in the rebuilding of Ukraine.

Upholstered in Kirkby Sculpt cotton velvet corduroy.

Lanai

Available in oak or veneered wood this side chair can come with or without upholstered seat and back pads. An armchair version is in development and will be launched later in the year.

Upholstered in Yarn Collective Doré bouclé

Alpbach

This compact armchair is the perfect addition to any hotel, lounge, or bedroom. The comfortable rake of the chair tempts you in and once you're in you won't want to get out. Retro in design but updated with a modern twist including chunky oak legs.
