

ESSENTIALS

When decorating, it is essential to start with the Essentials.

A good basis ensures a good start. This is the concept behind the “Essentials” collection. The non-woven wallpaper, printed with the most innovative techniques, is an added value for every type of interior. In addition to colour, the texture gives an extra dimension. This timeless wallpaper is tactile, radiates warmth and provides a comfortable feeling. In addition, "Essentials" is extremely breathable and durable.

Modulaire

Modulaire brings a strong example of artistry, with geometric prints in the lead. This collection is intriguingly infinite, like an ingenious labyrinth, with lines, surfaces and objects that stand out for their simplicity. The collection interprets geometry in a new, modernistic way. The fine structure perfectly reflects the warmth and subtlety of the textiles.

Essentials | Modulaire is available in 24 colour variations.

Travellers

A surprising mix of designs and motifs takes you on a magical journey around the world. From the dreamy bohemian vibe on the Balearic beaches to the mysterious African jungle.

The pure hues and materials are inspired by natural materials such as rattan and tropical plants.

Authentic weaving techniques including macramé and wickerwork form the basis of this collection.

The result is a vintage touch and a glamorous twist: authentic meets chic.
