

LUSH

Mystique c'est chic. Velvet and velour are different names for the same mysterious and warm fabric. The rich fabrics of rib velvet, lush botanical prints and sophisticated weaving techniques make Lush a very detailed and luxurious collection. The cool metal accents combine perfectly with the soft, velvet fabrics and complete the look.

Corduroy

The wide ribbed velvet structure is sensual and tactile. In addition, the subtle sheen, incorporated in the velvet, gives an elegant and rich feeling. The irregular shades create a random pattern.

Corduroy is available in 10 colour variations.

Tinneroy

The fine rib velvet with a soft top layer has an exclusive and warm appearance. Velvet is extremely flexible and is therefore often used in fashion. This extremely cuddly fabric produces a sleek and well-defined whole.

Tinneroy is available in 8 colour variations.

Tropicalia

The intriguing and mysterious image of tropical leaves exudes luxury and warmth with a touch of vintage. This rich velvet fabric with sophisticated finish is a feast for the eyes.

Tropicalia is available in 2 colour variations.

Wildflower

This botanical image represents a colourful bouquet expanse. The distinct design has on the one hand a very luxurious appearance and on the other hand a spontaneous and playful character. The expressive combination of the colours, the soft ribbed velvet and the frivolous design characterises Wildflower.

Wildflower is available in 2 colour variations.

Stellar

The soft metallic lustre of this metal foil creates a unique light reflection. This makes the design look different from various angles and creates a dynamic atmosphere. The authentic metal look creates the effect of impressive metal panels.

Stellar is available in 12 colour variations.
