

### **Abet Laminati at Clerkenwell Green**

Abet Laminati, a leading producer of decorative laminates, has recently introduced several innovative collections and finishes that blend aesthetic appeal with advanced technology.

### **Polaris Contemporary Collection**

Launched in 2023, the Polaris Contemporary collection features 12 new decors, including Rosso Mattone, Squalo, Forest Green, and White Birch. These additions align with current interior design trends, offering a variety of textures and colors to suit diverse design preferences.

### **Velwood Finish**

Developed in collaboration with designers Giulio Iacchetti and Matteo Ragni, the Velwood finish is a recent innovation by Abet Laminati. This finish combines the warmth and texture of wood with the durability and versatility of laminate, providing a sustainable and aesthetically pleasing alternative to traditional wood surfaces.

## **Design Edition Collection**

Abet Laminati's Design Edition collection showcases a range of decorative laminates enriched with abstract and original graphic designs. This collection reflects the company's commitment to pushing the boundaries of laminate design, offering unique patterns and textures that cater to contemporary design sensibilities.

## **Metalli Collection**

The Metalli collection presents a stunning array of metallic laminates, designed to play with light and texture in interior spaces. This collection offers a sophisticated and dynamic aesthetic, suitable for various applications where a touch of elegance is desired.
