

Edmund Bell Introduces the HACIENDA Print Collection – A Perfect Choice for Healthcare and Hospitality Interiors

Edmund Bell is delighted to unveil the Hacienda collection, a captivating new range of prints designed to enrich healthcare and hospitality spaces with an inviting, timeless aesthetic. Drawing on the charm of historic architecture and rustic elegance, Hacienda offers a collection of prints that balance classic style with modern adaptability, creating interiors that feel both welcoming and stylish.

The Hacienda collection explores contrasting elements, blending elegance with playfulness, minimalism with eclecticism, and soft neutrals with bold accents. With versatility at its core, these prints are designed to adapt seamlessly across various interior styles, providing endless possibilities for creating spaces that stand out.

Highlights of the HACIENDA prints include:

- **HABITAT** – Inspired by the rugged textures of nature, Habitat introduces a rustic charm to any room, ideal for creating a calming and grounding atmosphere in healthcare and hospitality environments.
- **HOJA** – A subtle yet striking botanical print, Hoja adds a layer of warmth and authenticity, enhancing the ambiance of guest rooms, lounges, and communal areas.
- **FIESTA** – With geometric and patterned elements reminiscent of handcrafted rugs, Fiesta adds vibrancy and texture, ideal for creating statement pieces in lobbies, dining areas, and more.
- **PORTO and BOHO** – These laid-back prints complement more vibrant patterns, allowing for creative layering that suits both relaxed and sophisticated settings.

The Hacienda collection features a thoughtfully curated range of colourways, each designed to evoke a unique mood and harmonise with a variety of spaces:

- **DENIM** – A sophisticated blend of deep blues with warm copper and twine tones, creating a serene yet rustic ambiance.

- HEATHER – Calming shades of lavender, sage, and mink bring a gentle, natural touch, ideal for peaceful spaces.
- NUTMEG – Earthy tones with subtle hints of grey and yellow create a cosy, inviting palette for any interior.
- GINGER – A lively mix of warm ginger and burnt reds, paired with soft creams, to add warmth and character.
- MINERAL – Cool tones of blue and grey with beige and ivory accents, perfect for creating a fresh, tranquil environment.
- PESTO – Rich greens paired with warm neutrals and subtle gold, infusing spaces with an organic, natural feel.

Timeless Prints for Distinctive Healthcare and Hospitality Spaces

The Hacienda collection by Edmund Bell celebrates the beauty of heritage-inspired design, offering a distinctive print selection that brings warmth, character, and timeless appeal to healthcare and hospitality interiors. With Hacienda, creating unique, memorable spaces has never been easier.

Why Edmund Bell?

For over 160 years, Edmund Bell has been a trusted partner for the hospitality sector, providing innovative fabric solutions that balance design excellence with functionality. We understand the demands of hotel interiors, and our collections are crafted to meet the needs of the modern hotelier, delivering durability, ease of maintenance, and a luxurious feel – all with sustainability at their core.
