Nowy Styl, leading manufacturer of premium furniture solutions, launches new soft seating range Mollen. When encouraging connections and cultivating relationships within the workplace, comfort is a necessity and with Mollen that comfort takes a real shape. The Mollen collection features a comprehensive range of seating solutions, consisting of sofas, armchairs and coffee tables all available in a variety of sizes to suit any space. Mollen sofas can be equipped with media ports ensuring you are always powered and connected even when you're away from your desk.

Mollen achieves this as each piece seamlessly blends superior comfort with sophisticated design, creating inviting spaces that leave lasting impressions.
