

## **Billi UK Announces Exciting Participation at Clerkenwell Design Week 2025**

London, UK – 5th March—Billi UK, the leading provider of innovative water filtration and boiling systems, is thrilled to announce its participation in this year's Clerkenwell Design Week, which will take place from 20-22 May 2025 at the renowned design hub in Clerkenwell, London. Visitors can look forward to an interactive experience that combines cutting-edge water technology with engaging, fun activities.

At our showroom in Farringdon, London, we will showcase our range of revolutionary water systems, with the highlight being the exclusive launch of our latest product. Designed to make everyday living smarter and more sustainable, this new addition to the Billi UK family promises to take water filtration and convenience to the next level.

To make customers' visit even more exciting, we've lined up an array of entertainment that will appeal to all senses. Visitors will enjoy sparkling tea-making sessions, where they can learn the art of creating exquisite sparkling teas, adding a refreshing twist to the event. For those looking for a bit of friendly competition, our mini-golf challenges and games night will keep the energy high, while a mesmerising magic show will add an element of surprise and wonder.

"Clerkenwell Design Week is one of the most influential events in the design calendar, and we are excited to share our passion for innovation with visitors," said Callum Lodge, Head of Commercial Development at Billi UK. "We're offering a unique blend of entertainment and design that reflects our commitment to bringing high-quality, sustainable water solutions into people's everyday lives in an engaging and fun way for all."

Billi UK's participation at Clerkenwell Design Week presents the perfect opportunity for industry professionals, design enthusiasts, architects and the public to explore the future of water systems while enjoying a lively, interactive atmosphere.

Join us at our showroom for an unforgettable experience!
