

RAK Ceramics to present latest trend-led tile ranges during Clerkenwell Design Week 2025

RAK Ceramics, the leading bathroom and tile manufacturer, is delighted to announce that it will be taking part in Clerkenwell Design Week again in 2025, where it will unveil its latest surface innovations, which reflect the top tile trends.

From 20th to 22nd May, designers, architects and specifiers visiting the two-storey, 7,276 sq ft RAK Ceramics Design Hub, which is perfectly placed at 100 St John Street, London, will be inspired by its newest porcelain tile ranges on display.

New marble-effect tiles

Making its debut within the inspirational showroom, the beautiful, luxurious **Rapolano Marble** tiles have a timeless charm. Inspired by the elegance of marble, these porcelain tiles offer hundreds of solutions for residential and commercial projects. Measuring 80 x 80cm, Rapolano Marble tiles are available in Beige, Light Beige, White and Grey.

Leading the trend for bold, marble-effect tiles with dramatic veining, RAK Ceramics' stunning new **Rain Marble** tiles will breathe new life into walls and floors. Available in white, they come in three versatile sizes of 135 x 305cm, 120 x 260cm and 60 x 120cm to suit a wide range of applications.

RAK

CERAMICS

Celebrating the purity and elegance of crisp white marble, the new **Crystal White Collection** from RAK Ceramics will bring a luxuriously cosy ambiance to any classic or contemporary space. These beautiful tiles come in sizes of 90 x 180cm, 120 x 120cm and 60 x 120cm.

With its continuous design, RAK Ceramics' marble-effect **Iceland White** range captures the timeless elegance of natural stone to create a luxurious aesthetic. Suitable for a range of domestic and commercial applications, it comes in 8 sizes from 90 x 180cm to 30 x 30cm.

New concrete-effect tiles

Taking the industrial trend to the next level, RAK Ceramics' chic and sophisticated **Creative Concrete** tiles are perfect for introducing a minimalist look and feel. Transforming the raw beauty of cement with elegant stone textures, warm wood finishes and classic brick patterns, this range provides designers with limitless creative possibilities. Available in 8 sizes from 120 x 120cm to 30 x 30cm, Creative Concrete Tiles come in Dark Grey, Grey, White and Beige and can be used indoors and outdoors to seamlessly bridge the boundaries

between both spaces.

RAK

CERAMICS

Designers looking to create a minimalist vibe can embrace the trend for bold, concrete-effect tiles with RAK Ceramics' new **Opificio** range. With four colours of Anthracite, Grey, Light Grey and Sand to choose from, these porcelain tiles come in 10 sizes from 10 x 10cm to a jumbo 120 x 280cm and can be used inside and out.

New stone-effect tiles

Perfect for setting the scene in spa-style bathrooms and creating a relaxing ambience across residential and commercial interiors, RAK Ceramics' new stone-effect **Moonstone** tiles are also suitable for use outdoors. In White, Beige, Grey and Dark Grey, these versatile tiles come in four sizes ranging from 30 x 60cm to 100 x 100cm.

In the heart of London's design quarter, the inspirational RAK Ceramics Design Hub is located at 100 St John Street, London EC1M 4EH.
