

April 2022

## MILLIKEN & COMPANY NAMED TO 2022 WORLD'S MOST ETHICAL COMPANIES FOR 16TH STRAIGHT YEAR

### *Definitive ethics award listing marks notable recognition for diversified manufacturer*

Milliken & Company has been recognised by Ethisphere, a global leader in defining and advancing the standards of ethical business practices, as one of the [2022 World's Most Ethical Companies](https://www.ethisphere.com/2022-worlds-most-ethical-companies). The diversified global manufacturer, with more than 60 locations and approximately 8,000 associates worldwide, is one of six companies to receive this prestigious ethics-based honour every year since the award's inception.

“Ethisphere and its World’s Most Ethical Companies program is a key benchmark for the way we do business,” shares Halsey Cook, president and CEO for Milliken & Company. “Receiving this recognition for 16 straight years underscores the culture and commitment of Milliken team members globally. It’s who we are.”

In 2022, 136 honourees were recognised, spanning 22 countries and 45 industries. Milliken is one of seven industrial manufacturers. Grounded in Ethisphere’s proprietary Ethics Quotient®, the World’s Most Ethical Companies assessment process includes more than 200 questions on culture, environmental and social practices, ethics and compliance activities, governance, diversity, and initiatives to support a strong value chain. The process serves as an operating framework to capture and codify the leading practices of organisations across industries and around the globe.

Milliken’s run as one of the World’s Most Ethical Companies illustrates its commitment to sustainability, recognising that ethics anchors the company’s long term success for all stakeholders.

“Congratulations to Milliken for achieving recognition as one of the World’s Most Ethical Companies for the 16<sup>th</sup> time,” said Ethisphere CEO Timothy Erblich. “We commend the entire

Milliken team for this truly significant achievement and their commitment to driving positive, lasting change by intentionally creating a culture of ethics and purpose.”

Honourees

## ABOUT MILLIKEN

Milliken is a leading supplier of floor coverings, with a rich history of delivering dynamic carpet and luxury vinyl tile collections from its award-winning design studios and manufacturing facilities in Wigan, UK. Combining global insight with national expertise and proprietary technologies, Milliken is at the forefront of innovation and design, offering high-performance, expertly-engineered products. Founded in 1865 Milliken has achieved an amazing 157 years in the textiles business and is now one of the largest privately owned companies in the world, providing expert solutions across a range of disciplines, including specialty chemicals, floor coverings, and performance materials. With over 100 years of environmental stewardship, the Milliken family of companies is one of the world's most responsible manufacturers.

Designing innovative products and solutions for our customers is of the utmost importance. Through meaningful design, deep science, and unique insights, we advance product development to the next level, while supporting Milliken's efforts to increase sustainable results and minimise environmental impact of all products. Milliken's holistic approach to innovation encompasses all stages of the life cycle - from material sourcing and manufacturing practices to end-of-life management. Our commitment to transparency, health, safety, quality, and sustainability allows us to put our customers, associates, and communities first. In 2022, Milliken was named one of the World's Most Ethical Companies by the Ethisphere Institute for the sixteenth year running.
