

Agilita to Exhibit Innovative and Sustainable Furniture at Clerkenwell Design Week 2023.

Agilita, a leading provider of innovative and sustainable furniture, will exhibit at Clerkenwell Design Week 2023 from 23th May-25th May at their showroom which is based at 66 Turnmill street. The company will showcase a variety of products from Vank, TOOtheZOO, Persy Booths, and Studio Vix.

Agilita's products are designed to enable and promote new ways of working. The company's Bio_Box is a sustainable and ergonomic chair that can be used in a variety of settings, including offices, schools, and libraries. The Bio_Panels are modular panels that can be used to create a variety of configurations, including walls, partitions, and seating. The Ring chairs are comfortable and stylish chairs that can be used in a variety of settings, including offices, homes, and cafes.

Agilita's products are made with sustainable materials, including wood, bamboo, and recycled plastics. The company's products are also designed to be durable and long-lasting.

Agilita is committed to providing its customers with the best possible products and services. The company offers a variety of products, including office furniture, school furniture, and library furniture. Agilita also offers a variety of services, including custom furniture design, installation, and maintenance.

Agilita is a proud member of the Sustainable Furnishings Council and the Forest Stewardship Council. The company is committed to sustainability and environmental responsibility.

Agilita is excited to exhibit at Clerkenwell Design Week 2023. The company looks forward to meeting with potential customers and partners.
