### The Abstract Collection

Introducing the *Abstract* collection by Holmes Bespoke, a stunning series of handcrafted rugs that blend ancient art with contemporary design. Inspired by the art of ancient mark making, this collection features intricate hand-drawn geometric shapes and line work that create a unique and striking aesthetic.

Crafted by skilled artisans using premium materials, the *Abstract* collection comprises of six different designs, each available in two colour ways. Choose from warm vibrant brights or earthy nudes to suit any interior, creating a bold statement piece or a subtle addition to your decor.

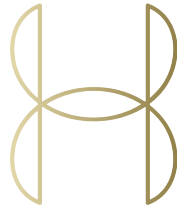

Experience the perfect fusion of art and design with the *Abstract* collection, exclusively crafted by Holmes Bespoke.

Highlights from the collection include in-house favourite, *Arc* which embodies the essence of the *Abstract Collection*. Warm honey and terracotta hues sit against a backdrop of off-white and black. Hand carved silky black lines run across the rug adding textural interest and giving an eye catching monochrome effect.

*Geom* in Nude is the perfect combination of warmth, texture and contemporary design. Subtle mushroom tones sit alongside warm shades of terracotta and linen. Hand tufted to order in bamboo silk and New Zealand wool, soft silky lines overlap carved semi-circles. Evoke the feeling of a happy summers day with this unique rug.
