London, UK – September 20, 2023

Moventi, a rising name in the workplace furniture industry, is thrilled to announce the grand opening of its latest showroom in Clerkenwell, London. This new space marks a significant milestone in the company's commitment to providing innovative design solutions for its customers.

Situated in the heart of Clerkenwell, renowned for its vibrant design community and rich history, the showroom offers an immersive experience for design enthusiasts and professionals alike. Boasting an expansive floor plan, the space showcases Moventi's exquisite collection of furniture, meticulously curated to inspire creativity and elevate office interiors.

"We are delighted to introduce our new showroom in Clerkenwell, a dynamic hub of design," said Ed Nunn, Director at Moventi. "With its prime location and thoughtfully curated displays, the space embodies our dedication to design and innovation."

Visitors to the showroom will have the opportunity to explore Moventi's signature pieces, crafted using innovative materials and techniques. In addition to showcasing its exclusive product range, the Clerkenwell showroom will serve as a hub for design inspiration, hosting events, workshops, and collaborations with industry leaders. This collaborative approach underscores Moventi's commitment to fostering creativity and sharing expertise within the design community.

The grand opening of the Clerkenwell showroom represents an exciting chapter for Moventi, as the company continues to expand its presence and influence in the world of workplace furniture. With its dedication to quality, innovation, and impeccable design, Moventi remains a growing name in the industry, helping to shape the future of workplaces worldwide.

About Moventi:

Moventi's product design strategy sits at the core of our product collection. Driven by the demands of the ever-evolving workplace, we believe product design requires a holistic approach. We challenge each development project from many different angles to ensure we bring you designs that are aesthetically and operationally delightful.

We make it our duty to remain close to the emerging trends of working environments and the activities that are carried out within them. This means we can design, develop, and deliver products that are exceptional in both form and function, giving you the edge in the market.

We continually invest in new innovations and products based on a thorough understanding of how the modern working environment advances. As a certified Climate Positive business, we have gone beyond carbon neutral status to offset at least 110% of our impact. We achieved this by working closely with environmental professionals, who helped us calculate and erase at least 110% of our operational emissions through VCS verified nature-based solutions. This journey includes contributing to projects around the globe that are dedicated to avoiding carbon emissions and preserving natural habitats.

At Moventi we love what we do. We love creating delightful experiences for our customers, we love designing and manufacturing great products and perhaps more than anything we love having fun while we do it. We are a team of happy, friendly, excitable and, possibly, slightly random individuals on a simple mission to make buying furniture as easy and enjoyable as possible for our customers.
