

Introducing **fibre's** new luxury wool collection designed for the domestic and contract market – outstanding performance

Designed to fulfil the needs of both residential and hospitality sectors, **fibre** is proud to introduce three new wool ranges.

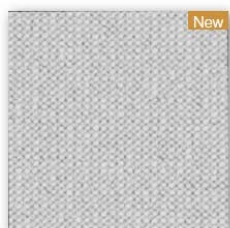

Offering not only aesthetic appeal but also durability that stands up to high-traffic demands. Harnessing the luxury and resilience of 100% natural wool specifically for both heavy domestic and commercial environments.

## WOOL STARLIGHT

Where visual interest and versatility are integral to an interior, Wool Starlight makes an ideal flooring solution for both residential and commercial environment. This tufted Wilton style carpet offers a soft yet durable flooring option. Whether in a modern home or a chic hotel lobby, Wool Starlight seamlessly integrates into numerous settings.

Choose from six striking colourways with a contrasting pattern, reminiscent of shimmering constellations in the night sky.

Available as a 4m width broadloom, as well as bespoke rugs and runners. It boasts a class 23 and 33 wear rating for heavy domestic and commercial installations.

## WOOL ZERMATT

With its chunky loop and sustainable pile, our Wool Zermatt collection offers a tactile richness designed to withstand the demands of both high-traffic areas and everyday living.

Wool Zermatt seamlessly combines style, durability, and sustainability, making it a versatile choice for discerning homeowners and hospitality professionals alike.

Made from 100 percent wool with 3-ply yarn, the Zermatt collection is as soft and sumptuous as it is strong with a class 23 & 33 heavy commercial wear rating.

This range is available in five complementary colours in both 4m and 5m widths, ideal for both broadloom installations as well as bespoke rugs and runners.
