

## Introducing **fibre's** range of Contract & Commercial flooring solutions

**fibre** is proud to announce the launch of their Contract & Commercial flooring solutions. An extensive range of commercially rated contract flooring options specifically designed to meet the rigorous demands of high-traffic commercial environments, while delivering an unparalleled aesthetic appeal

Julian Downes, MD of **fibre**, comments:  
"Our commitment to quality and innovation drives us to continuously expand our product offerings to meet the evolving needs of our customers. With our new range of contract and commercial flooring solutions, we are excited to provide businesses with durable, high-performance options that enhance both design and functionality."

### **Stockholm**

Introducing Stockholm – a chic, flat-woven contract bouclé which embodies the essence of Scandinavian design with its attractive paired back construction. Made from super resilient Nylon, with a Class 33 heavy commercial wear certification, Stockholm is specifically designed for commercial settings with high traffic areas like offices, hotels, shops and restaurants. Its robust construction ensures long-lasting performance, even in the most demanding environments.

## Copenhagen

Copenhagen is a sleek and elegant carpet collection. Its minimalist design embodies stylish and contemporary expression that meets the markets requirements for durability and wear.

Made from super resilient Nylon, with a Class 33 heavy commercial wear certification, Copenhagen's tight woven, low-profile construction is the ideal choice for busy commercial environments. The perfect option for commercial offices and hospitality.
