# Signature chair now made for outdoor

This spring, Sika-Design launches an outdoor-version of our most popular chair, the Rossini dining chair designed in 1993.

## A merge of Danish aesthetics and the sculptural lines of Japan

The Rossini chair is our all-time most popular chair and can very well be named our signature chair. The chair was designed in 1993 in a collaboration between Knud Andreasen, the 2nd generation in Sika-Design, and the famous Japanese designer Yamakawa.

Our new Rossini Exterior chairs are handcrafted in aluminum and ArtFibre using the same traditional techniques as in the production of the original Rossini rattan chair. Rossini Exterior is found in two handpainted colors: Alu-Antique and Alu-Natural.
