Holy Moly

Times are changing and more than ever we need to surround ourselves with objects that inspire us, that create a mood and make us reflect. The monumental candlestick Holy Moly encourages us to celebrate in our everyday lives. Holy Moly embraces the Scandinavian traditions of worship and the importance of illumination during our long Nordic winter nights with the magical warmth of candlelight. The shapes are drawn from classical models, each with its own expression, that complement and interact with each other.

Holy Moly 1
 Height 160cm
 Foot Ø 42cm

Holy Moly 2
 Height 140cm
 Foot Ø 42cm

Holy Moly 3
 Height 110cm
 Foot Ø 42cm
