Step into a World of Enchantment with our New 'Amnis' Wallcovering Design

Introducing 'Amnis': a wallcovering design where every wall tells a story of timeless elegance, inspired by the gentle flow of rivers. Derived from the Latin word for "stream," we have encapsulated the fluidity and cascading grace of streams in our latest creation.

With metallic yet subtle elements, Amnis brings a touch of sophistication, creating a visual dance that mirrors the shimmering quality of water under sunlight. The delicate color range offers a nuanced palette, allowing you to infuse your space with a sense of calm or make a bold statement. From muted tones that evoke tranquility to bolder shades that command attention, Amnis provides a wide choice to perfectly suit your interior.

Each swath of Amnis invites you to delve into its depths, revealing layers of beauty reminiscent of the ever-changing currents of a flowing river. Whether adorning the walls of a serene spa retreat, a modern office space, or a luxurious home, Amnis transcends boundaries, transforming any environment into a sanctuary of refined elegance.

Experience the timeless allure of Amnis and let your walls speak volumes about your discerning taste and appreciation for the artistry of nature.

This design is available in 6 colourways.
