ELEVATE YOUR INTERIORS WITH MURASPEC’S DREAMSCAPE OMBRE WALLCOVERING

Unveiled this week as Muraspec's Dreamscape collection, the Ombre wallcovering is a true embodiment of serene elegance. Inspired by natural horizons and gentle colour transitions, this design brings a calming gradient effect to interiors, creating an ideal backdrop for modern, minimalist, and contemporary spaces. The Ombre pattern strikes the perfect balance between subtlety and impact, making it suitable for both residential and commercial settings, from Hospitality to Healthcare environments.

Muraspec Wallcoverings, an international leader with roots going back to the 1850s, is renowned for producing high-quality, fire-rated wallcoverings from its manufacturing facility in Kent, UK. Our commitment to impressive design, exceptional quality, and unparalleled customer support is woven into every product, including our latest Ombre wallcovering. Available worldwide through our dedicated sales teams and distribution partners, Muraspec serves a global client base spanning High Street Retail, Commercial Offices, Cruise Ships, and more.

With a focus on innovation, Muraspec’s in-house designers bring a fresh perspective to commercial interiors, producing unique designs that set industry standards for both aesthetics and performance. Experience the transformative power of our new Ombre wallcovering and discover how it can elevate your space.
