ABI INTERIORS UNVEILS FLAGSHIP CLERKENWELL SHOWROOM IN COLLABORATION WITH CONRAN AND PARTNERS DURING CLERKENWELL DESIGN WEEK

London, UK – May 2026 – ABI Interiors, the global destination for premium, Australian-designed fixtures, is proud to announce the opening of its new UK flagship showroom in Clerkenwell, London's leading design district, coinciding with Clerkenwell Design Week 2026.

Marking a significant milestone in ABI Interiors' continued expansion within the UK market, the new showroom has been thoughtfully designed in collaboration with Conran & Partners. Known for their timeless, human-centric approach to design, Conran & Partners have worked closely with ABI Interiors to create a space that reflects the brand's core philosophy: elevating the everyday through considered, enduring design.

The Clerkenwell showroom offers an immersive environment where architects, designers, and homeowners can experience ABI Interiors' collections firsthand. Showcasing a curated selection of tapware, basins, showers, and cabinetry hardware, the space has been designed to highlight materiality, functionality, and refined aesthetics, while encouraging tactile interaction and exploration.

The design journey behind the showroom is documented in a dedicated two-part mini-series, offering a behind-the-scenes look at the collaboration between ABI Interiors and Conran & Partners.
