CDW CLERKENWELL
DESIGN WEEK
19-21 MAY 2026

We're excited to announce that **Edmund Bell** will be exhibiting at **Clerkenwell Design Week 2026**, one of the UK's leading celebrations of design, creativity and innovation. Join us from **Tuesday 19th to Thursday 21st May at Stand CG6 on Clerkenwell Green** – right in the heart of London's vibrant design district.

As a leading **supplier of high-performance fabrics for commercial interiors**, we'll be showcasing our full contract fabric range – offering solutions for every space and specification.

Discover Our Complete Fabric Portfolio

Explore our full range of blackouts, dimouts and sheers, designed to balance functionality with style. Suitable for **hospitality, workplace, public sector** and **wider contract environments**, our fabrics deliver light control, privacy, acoustic performance and flame retardancy without compromising on design.

We'll also be highlighting our growing range of sustainable fabrics, alongside **our new recycled velvet upholstery fabric, Lavish**, combining a soft, luxurious finish with a more responsible material choice.

Alongside our trusted core ranges, **you'll find a selection of standout collections** returning to Clerkenwell for 2026.

What's New for 2026

This year, we're introducing a series of exciting new developments:

- **Quest** – our new double-sided woven blackout, offering enhanced flexibility with a refined finish on both sides
- **Elevate** – a double-sided, double-textured blackout designed for modern interiors, combining practicality with a clean, contemporary look
- **Tatton Park** – a preview of our upcoming print collection, bringing fresh pattern and inspiration to interior schemes

You'll also be able to revisit **Maverick**, our recycled blackout fabric, alongside **Evolve**, a new soft handle blackout, and the **Eastern Traveller** print collection, all introduced at last year's show.
