

## **The Icon 40 Chair: Where Durability Meets Design in Every Stack**

Icon 40 Stackable Chair is FIRA-tested to the Severe Contract Standard (BS EN 16139). This certification reinforces the Icon 40's reputation as a versatile and reliable seating solution for contract markets, ensuring it meets the rigorous demands of commercial use.

The FIRA (Furniture Industry Research Association) testing process is one of the most thorough and respected in the industry, ensuring that seating products withstand the demands of constant use, particularly in high-traffic settings such as offices, conference rooms, event spaces, and public areas.

The Icon 40 Stackable Chair is built to meet the highest standards of durability, safety, and comfort, making it an ideal choice for architects and specifiers working on large-scale commercial projects. Whether used in offices, event venues, or educational institutions, this chair is designed to provide long-lasting value in high-use environments.
