UMAGE

GATHER

With a commitment to creating welcoming spaces, UIMAGE is presenting the Gather café table and Gather bar table.

Designed to bring people together in comfort and style, the tables feature a gently curved form that encourages a welcoming, open atmosphere. The flowing lines, free from sharp edges, create a harmonious space for people to gather and enjoy each other's company, combining practical functionality with inviting elegance.

Crafted with premium materials, the Gather tables offer a choice of exquisite marble or travertine tops to suit your space's aesthetic, from the rich tones of brown emperador marble to the timeless beige travertine. These high-quality stones are chosen for their natural beauty and durability, offering surfaces that age elegantly and enhance the space with a timeless feel. Its sturdy and adjustable frame ensures great stability and is available in black in both bar and café height.

Perfect for both intimate dining and lively social spaces, the Gather café and bar tables are the ideal additions to any dining nook, coffee place, café, restaurant, or bar. Offering a seamless blend of form and function, they create an inviting space for everything from quick catch-ups to long dinners, elevating any setting with style and sophistication.
