Brand overview

The Grand Designs portfolio, run by Media 10 includes a biannual live event and the monthly publication, based on the hit television show hosted by Kevin McCloud and broadcast on Channel 4 and All 4. The show includes a series of inspirational, self-build and renovation projects that span a wide range of styles, periods, locations and budgets; all united by their aesthetic appeal showcasing both architecture, and construction.

The brand celebrates innovation; it values design and build ideas that work to enhance our homes' aesthetics and functionality. It also promotes an ethos centred on lessening a building's negative impact on the environment.

The Grand Designs portfolio gives you the tools to upgrade your home whatever your budget.

You dream it - and we'll help you do it.

Multi-platform reach

The award-winning home event for ideas, inspiration and expert advice

The Grand Designs Live biannual events bring consumers over 400 exhibitors, as well as expert self-build and renovation advice, access to the latest innovative products and a host of eco-friendly solutions for their homes.

The events offer a brilliant range of exciting and engaging features in key project zones. It's a collection that's been created to provide visitors with all the information and inspiration they need to successfully complete their own amazing Grand Design.

The events will take place
on 4-12 May 2024 at London's ExCeL
and 2-6 October 2024 at Birmingham's NEC

Testimonials

"We came to Grand Designs Live to build brand awareness, as a new launch to the UK. The response has been fabulous, we have spoken to over 250 interested customers, and given our information to hundreds more, we will be back next year."

Darren Galway, Knotwood

"It is always worth being here, there is a return on your investment in terms of money and time. Visitors to Grand Designs Live are interested and serious about build and renovation. We have generated lots of leads that will be great for our business and rebooked for next time."

Daniel Baldock, Life Kitchens

"This is our first time at Grand Designs Live, it has been a great show for us, generating a lot of genuine leads with serious customers, it has also been an enjoyable experience."

Andy Tymkow from kitchen designers and manufacturers, Unit Eight

"It has been an extraordinary show; we've seen an overwhelming demand for information from visitors looking to start their journey to zero carbon living, and a genuine interest from people keen to not only explore money-and-energy-saving solutions but also environmentally friendly smart-tech options for their homes and lifestyles from wall and loft insulation to EV chargers and solar installation."

Alex Thwaites, OVO Energy

The UK's best-loved self-build, renovation and home improvement magazine

Knowledgeable and influential, Grand Designs magazine is a design-led source of the latest architecture and construction ideas to enthuse and inform anyone embarking on a home project. The title has been inspiring self-builders, renovators and home improvers since 2004. Published 13 times a year, it is the official magazine of the award-winning Grand Designs TV series that has been essential viewing since 1999.

It's an aspirational and informative must-read covering the latest innovative, stylish and eco-friendly products and services to propel readers towards their project goals. Whether the challenge is an awkward plot, a lack of light or a tight budget, solutions are to be found inside. From the moment a design is scribbled on a scrap of paper to the day the furniture goes in, Grand Designs magazine has it covered with a mix of expert advice and inspiration.
