# THE LUXURY LIVING EXPERIENCE

Four exceptional brands. One extraordinary destination.

Welcome to a curated showcase of craftsmanship, innovation and design excellence. This is more than a stand—it's an invitation into a world where only the finest ideas, materials and technology are brought to life.

We work with discerning clients who demand nothing less than perfection.

---

## **JOOCED** – Luxury Technology

Creators of breathtaking Cinema Rooms, intuitive Smart Home Automation, and visionary Lighting & Electrical Design.

Jooiced transforms properties in to intelligent works of art—tailored exclusively for those who expect the ultimate in performance and style.

---

## **CHESTER THOMAS** – Bespoke Joinery

Handcrafted joinery of rare distinction. From statement kitchens to exquisite walk in wardrobe cabinetry, Chester Thomas blends timeless artistry with flawless functionality.

---

## **ASHLEY THOMAS** – Architecture Design & Build

A complete design-and-build service delivering exceptional homes from first concept to final handover. Full project management ensures every detail is executed to the very highest standard.

---

## **SOLUS FIREPLACES** – Contemporary Elegance

Stunning, ultra-realistic electric fireplaces bringing warmth, atmosphere and modern sophistication to any interior.

---

## **An Invitation to the Exceptional**

The Luxury Living Experience is for those who value excellence over compromise.

We collaborate only with clients who share our passion for quality, innovation and enduring beauty. If you're ready to create something remarkable, our creators would be delighted to discuss your vision.
