## Our values

### Family Spirit

**We work together, support each other**

"Reflected in our NPS client surveys. Clients choose us in part because they like and trust us"

### Honest

**A culture of openness & discussion**

"We'd rather save you money as much as make you money"

### Growth & Learning

**We're always soaking up new information to pass on to you**

"Focusing on certification, training, industry events alliances & partnerships"

### Strive for Excellence

**A team who strive for best-in-class in everything we do**

"No A-team, no B-team. Just the best team"

## We know eCommerce

Stay competitive by leveraging the relationships we've built within the eCommerce ecosystem

Our collaborations with top industry partners enable us to deliver educational workshops, in-person events, webinars, PushON client days, thought pieces, and more, which we pass on to you.

# What our clients think

## Why they choose us

Word of mouth / recommended

Recommendation and presentation

Magento Partner, UK based level of expertise

Quoted price and recommendation

Used before at another company

## Why they like us

"Great communication, and both technical and account managers work to build relationships"

"Taken the time to understand the business and get the right solutions in place"

"Communication, detail of information given and also the level of trust you feel"

"The team are responsive, commercial and approachable."

"Friendly, organised and not afraid to share ideas"

"Great people to deal with"

## They like our work

"They are proactive, diligent, and very driven to achieve our marketing goals and objectives. Anything we could wish for in a partner, we get from PushON, we wouldn't hesitate to recommend them to other businesses."

"Folks this is awesome! This is one of the most thorough SEO audit's I've ever seen and I've worked with some big brand retailers & much bigger online agencies"

"PushON went out of their way to understand our unique business needs and set of requirements. PushON delivered. It was a complex project which delivered a significantly enhanced experience for all our customers which was reflected in the growth in use and revenue generated via eCommerce"

"What we appreciate most about the UX is that they really apply best practice, know how to motivate / defend their decisions but are also willing to listen / incorporate the feedback we provide"

"Working with PushON to stabilise and grow our Adobe Commerce website has been a great experience. The level of skill and experience is second to none."
