WELCOME TO Hostex 2026

Africa's food, drink, and hospitality trade expo

8-10 MARCH | Sandton Convention Centre
Johannesburg, South Africa

Dear valued visitor,

Welcome to Hostex 2026, and thank you for being here. Over the next three days, Africa's food, drink and hospitality community comes together under one roof to reconnect, do business and explore what's next.

As we mark 40 years of Hostex opening doors for the industry, this edition reflects both the show's legacy and the momentum shaping hospitality today. From skills and sourcing to sustainability, technology and service excellence, Hostex 2026 is practical, relevant and grounded in the realities of the sector.

Across two busy halls at the Sandton Convention Centre, you'll find six dedicated districts covering equipment, food and drink, tea and coffee, contract furnishings, technology and sustainability. Take time to explore both halls, follow your interests and dip into the live content running throughout the show.

The SA Chefs Village brings the energy with competitions, live demonstrations and experiential moments that celebrate professional craft, creativity and collaboration. Nearby, the Industry Hub seminar theatre hosts free-to-attend sessions and watch-party moments focused on the business of hospitality, from leadership and people to innovation, storytelling and future-focused thinking.

Coffee and beverage take centre stage this year. In Hall 2, the Coffee Championships area, delivered in partnership with the Speciality Coffee Association of Southern Africa (SCASA), showcases regional barista championships. In Hall 1, an expanded Beverage Hub and masterclass programme, delivered with partners including FEDHASA and Liquid Concepts, focuses on practical training, trends and techniques to elevate bar service standards.

Hostex 2026 is also proudly global, with international exhibitors and pavilions from Poland, China, Brazil, Italy, Thailand, Malaysia, Turkey and Egypt bringing fresh ideas and global perspective to the floor.

We thank FNB for their partnership in bringing the FNB Lounge to life; a calm, welcoming space to pause, meet and connect. VIP visitors and media are hosted in the

Premier Lounge, offering a comfortable setting for conversations and networking.

Guiding the programme this year are our ambassadors: Iain Evans, Omelele "Omie" Mmbo, Gustav Pieterse, Trevor Boyd and Lindiwe Sangweni-Siddo, whose combined insight helps ensure that what you experience at Hostex reflects the breadth and future direction of the industry.

As Hostex proudly celebrates 40 years of excellence, we extend our heartfelt gratitude to our sponsors; Vulcan Catering and Bakery Equipment, First National Bank, Tork SA, Unilever Food Solutions, Unilever Professional and Doubleshot; whose unwavering support has been the cornerstone of our journey. Your continued commitment to the food, drinks and hospitality sector has not only sustained this platform but has also inspired innovation, growth, and collaboration across the industry. We deeply value your partnership and appreciate the role you play in shaping a vibrant future for our community.

Our thanks also go to our association partners SCASA, SA Chefs Association, FEDHASA, SANHA, STPP and media partners Hospitality Marketplace, New Media, SuperMarket Retailer, Coffee Magazine, Bathic Holdings MU, Media Xpose, Bizcommunity and The Plannerguru for their continued support.

We hope you enjoy your time at Hostex 2026, discovering new ideas, making valuable connections and leaving energised by what's possible when the industry comes together.

Warm hospitality regards,

Mark Anderson

www.goodplanetsa.co.za

Good Planet SA is the exclusive South African distributor of The Good Cup, a new generation of takeaway coffee cup engineered to remove one of the industry's biggest sources of waste: the plastic lid. Designed with a precision sip-through lid and manufactured using an advanced aqueous coating, The Good Cup eliminates the need for both plastic lids and traditional PE or PLA linings. The result is a premium paper cup that performs like a conventional takeaway cup, but with fewer components, simpler waste streams, and a dramatically reduced plastic footprint. Good Planet SA exists to help coffee brands, cafés, festivals, and corporates move beyond incremental change and adopt solutions that are practical, scalable, and immediately impactful.

Tel: +27 21 551 5740
hello@topiawater.com
www.topiawater.com

Topia Water enhances local drinking water quality so organisations can serve it to the highest standard without single-use plastic environmental cost. We engineer circular water ecosystems that integrate seamlessly into existing supplies, filtering impurities while preserving natural minerals. Chilled, ambient, boiling, still or sparkling - served on demand at source.

For nearly two decades, water has been our passion and focus. We work alongside leading hospitality brands to elevate service, reduce waste, and take ownership of water impact. By eliminating bottled water, cutting emissions, and simplifying operations, we make sustainability practical, measurable, and enduring.

Topia is about more than hydration - it's about respect for water as a precious resource, for the planet that provides it, and for people who rely on it daily. Great-tasting water shouldn't cost the Earth. When we enhance water at its source, every sip becomes part of the solution.

 REBEL Safety Gear

The Tork Reflex™ Centrefeed Dispenser delivers cleaner, more efficient wiping with one-at-a-time centerfeed dispensing that reduces paper use by up to 37%¹ and protects rolls from dirt and splashes. Now available in a bold new black design. Same high performance with a modern, premium aesthetic.

Find out more and see the full Tork offering at:
torkglobal.com/za/en

Tork, an Essity brand

473191

473190

473188

¹ Essity research conducted over a 4 week period. Tork Reflex® Wiping Paper Plus against freeflow Tork Wiping Paper Plus. Reduction calculated in square metres used.

Think ahead.

4 in 1

ONE ROOF

FOUR INDUSTRIES

Mark your calendars! Join us again from **2-4 June 2026** at **Gallagher Convention Centre** for another round of future-forward innovation, networking, and opportunity across Securex South Africa, A-OSH EXPO, Facilities Management Expo, and Fireexpo.

One destination. Four shows. Unlimited potential.

Book Your Stand

See you in 2026!

2-4 JUNE 2026
